

## The Children of Gaza are Buried in the Land of Al Aqsa with Each Day without the Khilafah

On the 7th of October, the Muslims of occupied Palestine launched a surprise dawn raid and breached the defenses of the Jewish entity, determined on defending the Islamic lands from the enemy's oppression, eliciting international condemnation from the colonial West who supported the Zionist oppressors.

There was a mass exodus of illegal Jewish settlers who took their families and children out of the region as they understood that their exiled neighbours were coming back to reclaim their honour and their homes. There have been social media evidencing that Islamic guidelines on warfare were being observed with calls for women and children of Jews to be spared harm. However, the evil revenge of the occupying forces does not observe such measures, and they continue their historic brutality by deliberately targeting children in their war strategy.

To date, over 2300 children have been killed in Gaza since October 7th as civilian buildings are bombed and schools and hospitals are hit by missiles. Entire families are gone. Furthermore, the entry of food, water, fuel and medicines have been completely blocked as part of a complete siege on the Strip.

Social media feeds showed the Jewish entity's army dumping cement into the water springs that serve Gaza to destroy the available freshwater sources. The 2.3 million people who live in one of the most densely populated areas in the world will literally have every aspect of their survival stopped at the call of a policy without the authority of the Khilafah (Caliphate) and noble leader of the Muslims, the Khalifah, in place to protect the believers.

Worse still, illegal phosphorus bombs that burn flesh to the bone and kill every living thing it touches are being used in civilian cities where thousands of men, women and children are trapped. They cannot leave by any means unlike the Jewish settlers are doing. As we know, Gaza is the world's largest open-air prison in the world.

The armies of the traitor leaders of the Muslim world watch in their golden towers of cowardice as they support the slaughter of the children of Palestine. They have had their loyalty bought for the position and power of the dunya, while the vitreous martyrs of Palestine give their blood for the high position in the Akhirah! Shame upon shame is their true face, and their accountability is great in the eyes of the Ummah of Mohammad (saw).

We bear witness to the crimes of the Zionists and their International helpers which includes these traitorous Muslim rulers.

The pious Muslims will never be forgotten by this Ummah loyal to Allah (swt) and His Messenger (saw).

The wrongdoers will never be victorious when the inevitable meeting of Allah (swt) comes.

﴿وَالَّذِينَ كَسَبُوا السَّيِّئَاتِ جَزَاءُ سَيِّئَةٍ بِمِثْلِهَا وَتَرْهَقُهُمْ ذِلَّةٌ مَّا لَهُمْ مِنَ اللَّهِ مِنْ عَاصِمٍ كَأَنَّمَا أُغْشِيَتْ وُجُوهُهُمْ قِطْعًا مِنَ اللَّيْلِ مُظْلِمًا أُولَئِكَ أَصْحَابُ النَّارِ هُمْ فِيهَا خَالِدُونَ﴾

**“And (as for) those who have earned evil, the punishment of an evil is the like of it, and abasement shall come upon them, they shall have none to protect them from Allah (SWT), as if their faces had been covered with slices of the dense darkness of night; these are the inmates of the fire; in it they shall abide” [TMQ 10:27]**
