

Deaf, Dumb and Blind Leaders of the Muslim World give America and the Jewish state the Green Light to Commit Palestinian Genocide

Over the past few weeks and in the last 48 hours, the Jewish state has attacked Gaza on an unprecedented scale not witnessed in living memory. To add insult to injury, the paralysis that has gripped the leadership of the Muslim world has broken all known records of treachery and betrayal. For every Palestinian massacre committed by the Jewish state the leadership of the Muslim world utters empty words issued from blackened hearts which further encourages the Jews to kill more Muslims.

Instead of preventing the spilling of Palestinian blood, King Abdullah of Jordan is more interested in “no [Palestinian] refugees in Jordan”. When pushed on the gravity of the situation, Abdullah responded, “the continuation of the Gaza war will lead to an explosion of the situation” and then proceeded to use his security forces at every opportunity to brutally clamp down on Jordanian standing with the people of Gaza. President Sisi of Egypt like Abdullah is more worried about a new naqba i.e., the Jewish state pushing Palestinians from Gaza to “migrate...to Egypt”. Even when Sisi’s armed forces have indicated their willingness to intervene in Gaza, Sisi has been quick to downplay their chances of success by telling the army “do not overstep and have illusions about your own strength”.

Then there is Erdogan who recently told a rally regarding Jewish state’s disgusting offences in Gaza, “we will proclaim you as a war criminal to the world”. These words were enough for the Jewish state to recall its ambassador and reassess its relationship with Turkey. Meanwhile for Erdogan there were no diplomatic repercussions and Turkey has ignored the plight of Gazans and pressed ahead with its multifaceted relationship with the Jewish state. As for the Saudi’s Finance Minister Al Jadaan he expressed very little concern for the spilling of pure Palestinian blood in Gaza and only wanted to focus on “de-escalation” and resumption of normalization efforts with the Jewish state once the war was over.

Such are the evil deeds of the rulers, and their betrayal of Gaza is plain to see. They exist only to please and give life to the Jewish state, while extinguishing the hope of Gazans. Allah says, ﴿وَالَّذِينَ يَمْكُرُونَ السَّيِّئَاتِ لَهُمْ عَذَابٌ شَدِيدٌ وَمَكْرُ أُولَئِكَ هُوَ يَبُورُ﴾ **“As for those who scheme evil works, they incur severe retribution; the scheming of such people is destined to fail”** [TMQ: 35:10].

For the rulers, the only use of power is reserved to imprison and prevent the Ummah from liberating Gaza from the tyrannical rule of the Jews. And when reminded about their vast arsenal of weapons and large military budgets, the rulers deliberately downplay the strength of their military might and exaggerate the power of the Jewish state. This is an enormous distortion of the truth and anyone with a modicum of sense can see that Muslim world has both the means and the will to easily overcome the Jewish state and liberate Palestine for good. Allah says ﴿فَمَنْ أَظْلَمُ مِمَّنِ افْتَرَى عَلَى اللَّهِ كَذِبًا أَوْ كَذَّبَ بِآيَاتِهِ إِنَّهُ لَا يُفْلِحُ الْمُجْرِمُونَ﴾ **“Who is more unjust than who forges a lie against Allah or who gives a lie to His communications? Surely the guilty shall not be successful”**. [TMQ: 10:17].

The very least the Muslim world can do for the people of Gaza is to implement the 10-point plan that will not only ensure Palestine’s liberation but also greatly reduce Western interference in Muslim lands:

1. Immediately renege on all peace treaties with the Jewish state and sever all diplomatic ties. Expel all representatives of the Jewish state from Muslim lands and seize all their assets. Therefore, Egypt, Jordan, Bahrain, UAE, Turkey, Morocco, Sudan, and other Muslim countries must terminate all peace treaties, end diplomatic relations and informal ties.
2. Halt all forms of intelligence collaboration, access to water ways and air space. Egypt must swiftly cease intelligence sharing on Palestinians with the Jewish state. Jordan must

end its support to the airbridge that supplies fresh weapons and ammunition to the IDF to spill pure Palestinian blood.

3. The Islamic countries must end all types of cooperation with the Jewish state. This includes all forms of commercial and cultural ties. For instance, Turkey is the Jewish state's third largest trade partner while the UAE facilitates 140 plus flights a week to strengthen cultural ties. Such forms of support to the Jewish state must be immediately discontinued.

4. Kazakhstan, Nigeria, and Azerbaijan supply more than 50% of crude oil to the Jewish state to meet its energy needs. With immediate effect the shipment of all oil must be stopped to the Jewish state and all oil contracts must be discontinued.

5. The naval forces of Turkey, Egypt and Lebanon must impose strict embargo on all goods (military and non-military) reaching the ports of the Jewish state on the Eastern Mediterranean. Additionally, these navies must cease all the offshore gas fields and cut off gas supplies to the Jewish state. The navies of Egypt, Saudi Arabia and Jordan must impose a similar embargo in the Gulf of Aqaba and deprive the Jewish state all types of essential goods.

6. Syria and Lebanon must open their borders and allow the armies of Turkey, Iran, Iraq to deploy to the Jewish state's northern border unimpeded. Likewise, the armies of Egypt, Saudi Arabia, Jordan, and others must surround the Jewish state, and when the time right liberate Palestine.

7. Pakistan must mobilize and deploy its tactical nuclear weapons within the battalions of the Muslim armies and ready its strategic nuclear arsenal to deter the Jewish state from even thinking about utilizing nuclear weapons.

8. The Gulf States that have invested heavily in dollar dominated assets in America must immediately liquidate these assets and convert such holding to non-dollar assets. Additionally, all the oil, gas and precious minerals that are exported to international markets must be decoupled from the dollar.

9. The Muslim world must convene a quick summit with Russia and China and encourage them to seize the opportunity and reclaim Ukraine and Taiwan. This is intended to create a security nightmare for America, and she will have to choose between assisting the Jewish state, safeguarding Europe, or protecting Asian Pacific countries.

10. The Muslim world will no longer recognize international law, which the West trounces at will. International law is a facade that is produced by a few Western powers to control the ummah's resources, commit Muslim genocide and perpetuate divisions in the Islamic world.

Despite the ease of implementation of these actions, the rulers of the Muslim world will never tire to invent pathetic excuses designed to deliberately delay the execution of these points. Hence, it is incumbent on the Ummah to bypass these cowardly rulers and directly appeal to the armies of the Muslim world to liberate Palestine. If the armies become hesitant and unsure, then the ummah should unify their ranks by re-establishing the Khilafah Rashidah (rightly guided Caliphate) state, which will be victorious in liberating Palestine in a blink of an eye. Allah (swt) says **﴿إِنْ يَتَصَرَّكُمُ اللَّهُ فَلَا غَالِبَ لَكُمْ وَإِنْ يَخْذُلْكُمْ فَمَنْ ذَا الَّذِي يَنْصَرُّكُمْ مِنْ بَعْدِهِ وَعَلَى اللَّهِ فَلْيَتَوَكَّلِ الْمُؤْمِنُونَ﴾** ***"If God grants you victory then none can defeat you, and if he abandons you then who can grant you victory after Him. And towards God the believers should put their trust."*** [TMQ 3:160].
