

Liberate Kashmir from the Clutches of Modi or Step Aside from Ruling!

With each passing day, Modi is strengthening his grip on Kashmir. Within Kashmir, the ratio of the Muslim population is changing. Non-Kashmiris are free to buy up property. Kashmiris are being suffocated, their voice is being muffled, their houses are being demolished and their youth are filling prisons.

Despite all this, the civil and military leadership are giving lip service in support of Kashmiris on Kashmir Solidarity Day. It is as if they do not command military forces of six hundred thousand troops, equipped with nuclear and conventional missiles. It is as if they are the organizers of a social media team, who want to liberate Kashmir through tweets, statements and online campaigns!

The Muslims of Kashmir, Paradise on Earth, are noble Muslims who demand armed military assistance from Pakistani rulers. They have no need of empty rhetoric in condemnation. While these rulers have practically uprooted the Jihadi structure and helped the Hindu state to establish their dominance in our regional. These rulers are the facilitators of Modi's Hindutva ideology, because that is what the Americans demand.

O Sincere Officers in the Pakistan Armed Forces!

Whoever wants to understand the reality of this political and military leadership, the truth is clear to him. Whoever is just stuck in the wheel of career, employment, pension, benefits and plots, will blind himself. Whoever is waiting for change to occur by itself whilst he does nothing, must know that Allah never changes His (swt) Sunnah. Indeed, angels descend to help when the sincere ones act for change, depending on Allah (swt). Allah (swt) said, ﴿وَلَنْ تَجِدَ لِسُنَّةِ اللَّهِ تَبْدِيلًا﴾ **“And you will never see the Sunnah of your Lord changing.”** [TMQ Surah Al-Ahzab 33:62].

Come forth and grant Nussrah for the re-establishment of the Khilafah (Caliphate) on the Method of Prophethood. Overturn the whole plan of global and regional miscreants on their heads. Our Iman does not allow us to wear the chains of the world order, moving on the cues of global colonialism. By the power of this Iman, your brothers in the region have so far humiliated three of the world's pharaohs. Now it is your turn to gather the Ummah from Indonesia to Morocco, under the Khilafah, burying the remaining pharaohs. This is the promise of your Lord, the glad tidings of your Prophet (saw) and the legacy of your forefathers. Allah (swt) said, ﴿وَمَا عَلَيْنَا إِلَّا﴾ **“And our duty is only to deliver ‘the message’ clearly.”** [TMQ Surah Yasin 36:17].
