

The Political War-game in Afghanistan - One of the Greatest Crimes against Women and Children of the Ummah!

The United States has put the so-called peace-slogan in the whole world and called it "Fight against Terrorism". It is shocking that in this slogan the real meaning of terrorism is going under and nobody can say anything against that. Moreover, the "world power" has made his own interpretation of Terrorism i.e., a fight against Islam, against the Muslim men, women and children. With this call, America has made it clear to the whole world that every country should accept this opinion; otherwise, they are the opponents of democracy and peace.

After the Second World War, USA was thirsty for another war and chose the Islamic Ideology as its enemy to get even more power and position in the world. Thus, America gained the entry ticket into Afghanistan through the incident of 11 September. Since the beginning of this cruel war in Afghanistan, thousands of innocent people, including women and children, have been unscrupulously killed. According to the new report by the United Nation Assistance Mission in Afghanistan (UNAMA), 1,662 civilians have been murdered and 3,581 wounded in the first six months of 2017. The number of women killed rose by 23 percent rise to 174 while 462 were injured. Meanwhile, 436 children died and 1,141 were wounded this year — a 9 percent spike on the figures from the same period last year.

According to the Nation, Jared Kushner, Trump's son-in-law, Erik Prince, founder of Blackwater, the all-purpose mercenary army, along with Stephen Feinberg, a New York-based financier who owns and controls DynCorp International, the largest U.S. contractor in Afghanistan, consider plans to turn the war on Afghanistan into "private military units".

What more crime against the humanity should the Women and Children of the Ummah in Afghanistan endure? Are all these sacrifices for the American peace process not enough? U.S. wants to 'liberate' the people from terrorism, but who are this people? These people are the women and children of the Ummah whose blood is unjustly shed, whose families are heartlessly destroyed, whose houses are massacred and whose honor is raped. The Ummah does not want a "Liberation" and "Freedom" through America! The marionette regents represent the interests of their leaders and conceal the real wishes of the Ummah. The women and children in Afghanistan want a liberation from the real and great terrorist and this is America itself.

This massacre is a political war-game of U.S. and there is no power today which can fight against this barbarism. America has killed more than 5 million Muslims in Afghanistan, Iraq, Syria, Palestine, Sudan, Somalia, Kashmir, etc., and injured more than 10 million people in this war against Islamic Ideology. They try the most dangerous weapons which they have in the Muslim lands and these leave countless harm to the next generations of the Ummah.

Millions of Muslims worldwide are to take over this task to rescue the Ummah. The Ummah must come together and should not rest until these murderers get their punishment. All the world judicial organizations are under the control of these great malefactors, so they are all involved in this crime. Therefore, the Ummah is to seek justice only in Islam to put an end to this misery. Only the establishment of the Caliphate upon the method of the Prophethood can put an end to this greatest crime against women and children of the Ummah and can restore the Identity of a leading nation which the Muslims had once.

﴿كُنْتُمْ خَيْرَ أُمَّةٍ أُخْرِجَتْ لِلنَّاسِ تَأْمُرُونَ بِالْمَعْرُوفِ وَتَنْهَوْنَ عَنِ الْمُنْكَرِ وَتُؤْمِنُونَ بِاللَّهِ وَلَوْ آمَنَ أَهْلُ الْكِتَابِ لَكَانَ خَيْرًا لَهُمْ مِنْهُمْ الْمُؤْمِنُونَ وَأَكْثَرُهُمُ الْفَاسِقُونَ﴾

"You are the best nation produced [as an example] for mankind. You enjoin what is right and forbid what is wrong and believe in Allah." [Al-i Imran 110]
