Comment:

Awami-led secular intellectuals and politicians consider Hasina's visit to India ahead of the upcoming national elections as highly significant for Bangladesh and are campaigning it as a major breakthrough in India-Bangladesh friendship. Whether the visit is termed as a bilateral engagement, or for strengthening regional connectivity or economic objectives, it must be viewed in the light of the geopolitical context of the region, i.e. the US Indo-Pacific strategy of strengthening India to counter China and prevent the return of the second Khilafah Rashidah (rightly guided Caliphate) in the region. Since Sheikh Hasina, who came to power without the people's mandate has no attractive offer to give to the people, her only hope is to get India's blessing to continue in power by implementing the regional agenda of the imperialists. As a result, since coming to power in 2008, Hasina has been handing over Bangladesh's sovereignty and strategic assets to India in the name of so-called bilateral compromises and agreements one after another. India has already got access to our strategic and energy sectors like ports, power and defense through many suicidal treaties. Sheikh Hasina proposed to Indian Foreign Minister Jaishankar, who recently visited Bangladesh, to hand over Bangladesh's main port - Chittagong Port - for India's use! Earlier she gave India its long cherished water and land transit against inconceivably low fees, risking Bangladesh's own infrastructure and security. She facilitated Indian companies to exploit our service sector and natural resources including seaport, mining, telecom, power plant, education, and garments. Due to this slavish policy and behavior of Hasina, India is now applying pressure to remove all types of export duties and barriers to the entry of Indian products into Bangladeshi market. It is a proven fact that the interests of the country and the people are worthless to Hasina's government. So being alienated from people, Sheikh Hasina is desperate to hold onto power by keeping our Kafir-Mushrik enemies satisfied. Since she was brought to the power by foreign powers, she has always been loyal to her masters, serving and implementing their agendas in Bangladesh.

The treacherous Hasina government will keep on compromising Ummah's sovereignty by handing over our economy, strategic resources and infrastructure to these Kafir-Mushrik enemies until we root out the despicable treacherous politics of these spineless secular politicians along with the Western-backed secular ruling system. Therefore, in order to put an end to the subservience of the Kuffar and Mushrikeen, the sincere people and politicians of the country must work to bring back the Islamic world order by establishing the promised Khilafah Rashidah from the method of the Prophethood, which will eliminate the dominance of the Kuffar and Mushrikeen from this region forever. Allah (swt) says: ﴿هُوَ الَّذِي أَرْسَلَ رَسُولَهُ بِالْهُدَىٰ وَدِينِ الْحَقِّ لِيُظْهِرَهُ عَلَى الدِّينِ كُلِّهِ وَلَوْ كَرِهَ الْمُشْرِكُونَ﴾ **"He it is Who has sent His Messenger with guidance and the religion of truth to make it victorious over all (other) religions even though the Mushriks hate (it)"** [As-Saff: 9].
