

The Attacks of Secular Kemalists against Islam and the Caliphate

News:

A smear campaign was launched by the secular Islamist media along with hostile attacks on Islam and the Caliphate after the conferences held in Ankara, Istanbul, Bursa and Adana within the framework of the Social Collapse-Problems and Solutions campaign launched by the KokluDegisim. Comment:

Radical Change: The media has launched a campaign called Social Collapse-Problems and Solutions due to the responsibility it feels in the face of the severe social depression and backwardness that the Muslim Turkish People have fallen into. Within the framework of the campaign, it held conferences in Ankara, Istanbul, Bursa and Adana.

In these campaigns and conferences, it has been emphasized that the source and the main responsible for the severe social collapse that has affected almost all of life is the capitalist system based on the idea of freedoms, secularism, democracy and free market economy, and the secular, Islamist Republic that has been applying this defamatory system on its people for 100 years.

Again, as a solution in these campaigns and conferences, it was emphasized that the only way to get rid of social depression is through social change, that the method of changing our Prophet Muhammad's method of social change should be taken as an example, and that the Islamic invitation should be carried to society in order to achieve social change.

Thus, it has been stated that the defamatory ideas and feelings existing in society will change with Islamic ideas and feelings, the capitalist system applied will change with Islamic System, and the capitalist society will turn into an Islamic society, and the establishment of the Rashidi Caliphate is essential for applying Islamic System.

Our people have shown an intense interest in our Social Collapse campaign and our conferences, and the conference images have caused a wide response. These campaigns and conferences excited our people, who were in despair in the face of the severe social depression they were living in, and led to an increase in their hopes.

The secular Islamists, unable to digest the attention and countenance received by our campaign, have started attacking Islam, the Caliphate and Hizb ut Tahrir through our campaigns and conferences with an unprincipled, illegal and hostile attitude.

Moreover, those who could not take it anymore, threatened to uproot us, even stated that we should be expelled from the country and accused us of chasing dreams. The dark coterie of secular Islamists, who accept the dark path of the colonial Kufur West as a modern civilization, have become almost crazy and enraged by the fact that Hizb ut Tahrir shows the secular Islamist Republic as responsible for all the depressions and crises in the country and society.

But they don't know,

That Hizb ut Tahrir within the last 70 years from its inception until this day, has suffered greatly under the cruel and tyrannical regimes all kinds of difficulties and hardships. The members were thrown into dungeons, all kind of tortures were practiced but they didn't give up carrying the dawah.

But they don't know,

That Hizb ut Tahrir will never give up its responsibility and determination to carry the Islamic dawah that Allah (swt) and His Messenger (saw) have imposed on and to raise the Islamic Ummah from the depression and backwardness it is in to the position of the best Ummah again.

But they don't know,

That Hizb ut Tahrir will never leave loyalty to Allah (swt) and His Messenger (saw).

But they don't know,

That the secular capitalist order they were guarding was bankrupt, unable to produce solutions to the problems of the people, and that brain death had occurred.

But they don't know,

The end of the world order established by the colonial disbelievers and which they are trying to protect together with their henchmen is approaching, he is dying and has fallen into a pre-death coma.

But they don't know,

«ثُمَّ تَكُونُ خِلَافَةً عَلَىٰ مِنْهَا جُنتِ» “Then there will be a Caliphate again (Rashid) with the Prophethood Minhaji (methodology).”

But they don't know,

﴿وَعَدَ اللَّهُ الَّذِينَ آمَنُوا مِنْكُمْ وَعَمِلُوا الصَّالِحَاتِ لَيَسْتَخْلِفَنَّهُمْ فِي الْأَرْضِ كَمَا اسْتَخْلَفَ الَّذِينَ مِنْ قَبْلِهِمْ وَلَيُمَكِّنَنَّ لَهُمْ دِينَهُمُ الَّذِي ارْتَضَىٰ لَهُمْ وَلَيُبَدِّلَنَّهُمْ مِنْ بَعْدِ خَوْفِهِمْ أَمْنًا يَعْبُدُونَنِي لَا يُشْرِكُونَ بِي شَيْئًا وَمَنْ كَفَرَ بَعْدَ ذَلِكَ فَأُولَٰئِكَ هُمُ الْفَاسِقُونَ﴾ “Allah has promised those of you who believe and do righteous deeds that He will surely make them rulers on earth, just as He made those before them rulers, that he will establish for them their religion, which He has approved, and that he will surely make them safe after their fears. They worship me and do not associate anything with me. So whoever disbelieves after that, it is they who are the transgressors.” [An-Nur: 55].

But they don't know,

﴿وَاللَّهُ غَالِبٌ عَلَىٰ أَمْرِهِ وَلَكِنَّ أَكْثَرَ النَّاسِ لَا يَعْلَمُونَ﴾ “Allah is all-powerful at His command, but most people do not know.” [Yusuf: 21]
