

The Jewish entity is Weak and Cowardly

It is the Silence of Our Armies that Gives it Strength

News:

The number of Gazan Muslims who have died as a result of the massacres, atrocities and genocides committed by the occupying Jewish entity in Gaza in the past 100 days since the Aqsa Flood has exceeded 25 thousand.

Comment:

In the face of the rare massacres and genocide committed by the occupying Jewish entity in Gaza, why did we as the Muslim Ummah fail to prevent this great cruelty and sin while we had the power to prevent it?

After more than three centuries of struggle for rights and freedoms against the cruel and wild medieval mentality, the colonialist kafir West realized a revolution of thought and reached capitalism. Then, with the Industrial Revolution, it discovered colonialism. With the technological power and experience brought by the industrial revolution, it colonized Africa, Latin America, Far East Asia and India. It tore down the Ottoman State. It abolished the Caliphate. It appointed many governments affiliated to it on the Ottoman lands. It made these governments fight with their own people. The colonialist kafir West caused great destruction in these lands through these governments that served them. Blood, tears, hunger and misery, backwardness, terrorism, anarchy, chaos, civil wars, political and economic crises have become the destiny of these lands.

The colonialist kafir Western civilization presented itself to us as the level of modern civilization. It denigrated our history and our past full of victories against them. It made us ashamed of our ancestors. Thus, it took over our minds. It weakened us by tearing us away from our roots from which we would draw strength. It has chained our hands and shackled our feet.

They have immobilized our armies by favour of those who govern us, so that we could not prevent them from mobilizing their armies for their own interests. They have confined our armies to their barracks. They made our armies serve only the plans and interests of the West. They destroyed our independence. It has alienated our rulers and our armies from their own people and their own beliefs and turned them into a part of the cruel and colonialist world order that they themselves have established, which is settled down on the whole humankind.

However, the Muslim peoples of these lands had prepared armies to prevent all this from happening. They didn't eat themselves but fed them, they didn't wear themselves but clothed them. They had given them the best positions and equipped them with the best weapons. They had given them the best salaries and made them live in the best houses. Why? To protect their countries, their independence, their lives, their property, their honor and dignity, their faith, which the colonialist kafir West wanted to destroy with its arrogant and aggressive hostility.

Unfortunately, the colonialist kafir West has infiltrated us, captured us and tried to destroy the hope of the Muslim Ummah and the whole humankind in the person of our rulers and armies.

The massacres, brutal, barbaric, arrogant, lawless and inhuman attacks of the usurping Jewish entity against the Palestinian people are in reality an attack on the honor and dignity of the armies of Muslim countries and all Muslim peoples in the person of the Palestinian people. The Jewish entity has disregarded the armies of the Muslims and has simply ignored them. Because it is sure. It is sure that neither the Turkish army, nor the Egyptian army, nor the Jordanian army, nor the Arabian army, nor any other Muslim army will act against these attacks. It is sure that the armies will remain in their barracks. It is not afraid of and does not abstain from our armies, and it does not take our armies seriously. That is why it is able to carry out these brutal attacks.

If the rulers and armies of the Muslims can free themselves from the handcuffs, chains and shackles that the colonialist kafir West has put on their minds and hearts by returning to their beliefs and roots, and restore the Muslim Ummah to its former great strength by establishing the Khilafah that will unite all Muslim peoples:

Then only then, they can become great heroes who save the Muslim Ummah.

Then only then, they can save the whole humankind from the cruel and wild colonialist kafir world order and make an end to their rulership.

Then only then, they will be able to make us regain our honor, dignity and independence which we lost above and beyond.

Then only then, they could be the hope of the Muslim Ummah and the whole mankind again.

Then only then they could clean Palestine from the Jews and exalt the Muslim Ummah.

Then only then, the Muslim Ummah will raise its bowed head and embrace its armies.

﴿وَمَا لَكُمْ لَا تُقَاتِلُونَ فِي سَبِيلِ اللَّهِ وَالْمُسْتَضْعَفِينَ مِنَ الرِّجَالِ وَالنِّسَاءِ وَالْوِلْدَانِ الَّذِينَ يَقُولُونَ رَبَّنَا أَخْرِجْنَا مِنْ هَذِهِ الْقَرْيَةِ الظَّالِمِ أَهْلُهَا وَاجْعَل لَنَا مِنْ لَدُنْكَ وَلِيًّا وَاجْعَل لَنَا مِنْ لَدُنْكَ نَصِيرًا الَّذِينَ آمَنُوا يُقَاتِلُونَ فِي سَبِيلِ اللَّهِ وَالَّذِينَ كَفَرُوا يُقَاتِلُونَ فِي سَبِيلِ الطَّاغُوتِ فَقَاتِلُوا أَوْلِيَاءَ الشَّيْطَانِ إِنَّ كَيْدَ الشَّيْطَانِ كَانَ ضَعِيفًا﴾

“And what is it with you? You do not fight in the cause of Allah and for oppressed men, women, and children who cry out, “Our Lord! Deliver us from this land of oppressors! Appoint for us a saviour; appoint for us a helper—all by Your grace.” Believers fight for the cause of Allah, whereas disbelievers fight for the cause of the Devil. So fight against Satan’s ‘evil’ forces. Indeed, Satan’s schemes are ever weak.” [Surah An-Nisa 75-76]
