

The Paris Talks are to Eradicate the People of Gaza and Their Resistance. So Support Your People in the Blessed Land, O Muslims!

News:

France24 reported on 24 February 2024, “The talks began in Paris, where the head of ‘Israel’s’ overseas intelligence service Mossad and his counterpart at the domestic Shin Bet security service met with mediators from the United States, Egypt and Qatar. National security adviser Tzachi Hanegbi said in a televised interview Saturday evening that the, “delegation has returned from Paris -- there is probably room to move towards an agreement”. The negotiators had asked to speak to the cabinet “to bring us up to speed on the results of the Paris summit”, he added shortly before the meeting. ‘Israeli’ media later reported that the meeting had concluded, with the cabinet agreeing to send a delegation to Qatar in the coming days to continue negotiations on a weeks-long truce involving the release of hostages in exchange for Palestinian prisoners held in ‘Israel’.” [\[france24\]](#)

Comment:

Since 7 October 2023, and for the 140th day in a row, the Jewish state has committed thousands of massacres in the Gaza Strip, in a brutal war against Muslims in the Blessed Land of Palestine. It is a war that has resulted in the martyrdom of more than 30,000 civilians, and the injury of more than 70,000. However, the brutal Western-backed killing machine was unable to achieve the goals it had set for itself through its genocide, namely to free the hostages and eliminate the resistance. So, the Jewish entity has now resorted to a round of negotiations to reach a deal to release the hostages held in the Gaza Strip.

All parties, Egypt, Qatar, and the United States, have been working for weeks to find a formula that would satisfy the Jews, and free the hostages. This is after the people of Gaza were displaced and starved, whilst their homes were destroyed over their heads! Had it not been for the West’s fear of the Ummah’s explosion and attack on the Western agents in the Islamic world, with the arrival of the blessed month of Ramadan, the month of jihad and victories, it would not have stopped spilling blood in rivers. It would have continued to spill blood, just as it did in Bosnia-Herzegovina before, and as it did in its Crusades throughout history.

Thus, the purpose of these negotiations is to release hostages, after the Jewish entity was unable to achieve this by force and brutality. This is in exchange for a temporary cessation of committing massacres, against the defenseless people of Gaza. However, these massacres are to be resumed again, after the end of the blessed month of Ramadan. All the parties gathered are conspiring against the people of the Gaza Strip, including Egypt and Qatar. None of the participants have shown any real sympathy for our people in Gaza, by lifting the siege and supporting our people there, or even by delivering aid. They are more than capable of all that and

more. However, they submit to the West and the Jews in their killing of the people of Gaza, starving them, and perhaps displacing them in order to achieve the goals of America and the Jews, which is to restore the hegemony of the fragile Jewish state over the region. This is in the face of the inaction of the agent regimes existing in the Islamic world. These regimes even provide the Jewish state with all means of strength and needs, including the vegetables and fruits that flow to it from Turkey, Jordan and the United Arab Emirates. This is at a time when the people of Gaza are dying of hunger!

Despite their patience and their turning to Allah (swt), the people of Gaza are no longer able to bear the suffering any longer. This is due to the vile neglect of the rulers of the Muslims and their huge armies that are led by disgraceful commanders, who are no different from the agent political leaders. In fact, the military commanders are the true leadership of the country, such as the leadership of the armies of Egypt and Pakistan. Despite its legendary steadfastness, the Palestinian resistance will not be able to defeat the Jewish state, which is supported by all the evil forces in the world. Therefore, the goals of America and the Jews will be achieved, without a doubt, if the laws of this dirty game are not changed. Changing them will only be at the hands of the most powerful player in the international arena, which the West deliberates over thousands of times, the shackled Islamic Ummah. It is an Ummah that will not be liberated, except by taking action, and overthrowing the agent rulers, through a coup by the sincere within the Islamic armies, against their political and military leadership. The Ummah will only be liberated by their granting Nussrah to Hizb ut Tahrir to establish the Khilafah (Caliphate) on the Method of the Prophethood. This is what will change the course of modern history. This is what will liberate the blessed Al-Masjid Al-Aqsa and end the Jewish entity. The Messenger of Allah (saw) said, «تُقَاتِلُونَ الْيَهُودَ حَتَّى يَخْتَبِيَ أَحَدُهُمْ وَرَاءَ الْحَجَرِ فَيَقُولُ يَا عَبْدَ اللَّهِ هَذَا يَهُودِيٌّ وَرَأَيْتُ فَاقْتُلْهُ» **“You fight the Jews and dominate them until one of them hides behind a stone.”** Then the stone says, “O Abdullah, this is a Jew behind me, so kill him.” (Al-Bukhari, Muslim, and Al-Tirmidhi)
