

Allah Knows Best Whatever You Conceal and Whatever You Reveal!

News:

President Erdogan said in his election campaign in Isparta: *“We are experiencing a bitter Ramadan due to the sadness of the massacres in Gaza. As Turkey, we stand by our Gazan brothers with our overt and covert aid.”* (AA)

Comment:

Why don't the atrocities in Gaza stop? Why are our invocations not answered? Why can't this glorious Ummah, full of historical epics, resist against a gang of handful cowardly Zionists? Why are the cruelties and massacres committed against Muslims all over the world increasing day by day instead of decreasing? Let's introduce those who can ask themselves these questions to Erdogan's **concept of “overt and covert aids.”**

We know that President Erdogan can exploit before the elections in a very well manner any issue that touches the nerves of Muslims. Erdogan could not, or rather did not, demonstrate in any way the expected stance from a leader claiming to be a member of Islam. The betrayals he has committed against Islam so far have been revealed literally under the spotlight in the eyes of the entire Muslim world, especially when it comes to what he did or did not do against the atrocities committed in Gaza. Therefore, this illusionist was in need of a new concept to exonerate himself, which is the magic of “covert/concealed” aids, which he supposedly hides from the public.

- In order for this concept to work effectively, it is necessary to portray the *al-amr bil maruf wa nahiy anil munkar* (enjoining the good and forbidding the evil), which Muslims openly and rightfully perform, as treason against himself and the state. So, the failures and betrayals regarding Gaza and Palestine should be placed on the shoulders of Muslims.

- The sincere efforts of Muslims should be tainted with accusations of weakness in faith and treason against the state.

- This duty should be carried out with almost a zeal of worship by palace ulema and by greedy politicians, breaking their fast with Coca-Cola and Fanta at lavishly adorned iftar tables.

- The shame of sending daily loads of ships full of food, textiles, chemicals, steel, etc. from Turkey to the “Zionist monster” should not be blamed on the AKP government, but on 7-8 businessmen, and the state should be absolved with the excuse of realpolitik.

- In the media and on every platform, it should be explained that the Turkish government does not have a single trade agreement with the Jewish entity, and that any agreements were always made by private businessmen, and that the state cannot intervene in this.

- Despite the extremely high sensitivity of Muslims, the Zionist serving leadership who couldn't even bring a glass of water to Gaza, and the one, who markets himself as the “big man”, and “sole leader”, shall not behave as state leaders capable of mobilizing armies with a single command, but as feeble slaves shifting responsibility towards Gaza to the International Community.

- Hereafter, those who criticize the state should be accused of “provocation”. Muslim citizens, who suffer insomnia due to the massacre and hunger continuing in Gaza, and hold banners calling to “Cut Trade with Israel” at the election rallies, should be detained and arrested.

This is how these illusionists, who abandon Gaza in this manner, “blatantly” pursuing “normalization policy” with the Zionist monster, who repeatedly bring any of their beneficial actions to the forefront of public attention without hiding, have invented the **concept of “overt and covert aid”**.

The believers know the enemies of Allah and the believers. They know those, who harbour friendship and look after the interests of their enemies, as well as those who betray the Ummah and its unity. They know very well what deeds these traitors have done and what tasks they have neglected. Even if the Muslims did not know, the Lord of the Worlds, Allah, Knows very well. ﴿وَأَنَا أَعْلَمُ بِمَا أَخْفَيْتُمْ وَمَا أَعْلَنْتُمْ وَمَنْ يَفْعَلْهُ مِنْكُمْ فَقَدْ ضَلَّ سَوَاءَ السَّبِيلِ﴾ **“I am most knowing of what you have concealed and what you have declared. And whoever does it (take the enemies of Allah and the Muslims) among you has certainly strayed from the soundness of the way.”** [Mumtahina: 1].

Until we rid ourselves of these illusionists and jesters, we Muslims will never be able to help Gaza, and we will continue to be condemned to be victims of state tyranny even in our 'so-called safe' lands.
