

## The Women of Gaza Praise Allah (swt) when they Find their Dead Children when most are lost to Kidnapping and Torture!

### News:

On the 26th of April, the Middle East Eye reported on the plight of mothers in Gaza who lose children when they are separated in the bombing. Many of the men are often murdered and buried in mass graves or kidnapped and imprisoned in unknown locations, never to be seen again. It is also not uncommon to have children shot in locations whilst they are playing with weaponised drones that target little children specifically. The idea that women actually celebrate finding their dead children, un-mutilated and in a whole-body condition, is remarkable and shocking; such is the oppression of the mothers in Gaza!

### Comment:

As so many thousands of women have lost their men folk in the war, from every level of the family structure, many women find themselves alone in searching for their sons, digging through rubble with their bare hands or walking miles in and out of conflict zones as the Jewish armies retreat from areas that they have decimated.

The most significant slaughter that represents the brutality and cruelty of the treatment of the dead can be seen in the evidence gathering of Al Shifa Hospital. Many were found with hands tied, body parts cut and clear evidence of torture. The other disgusting possibility faced by our sisters is when their children are returned from prisons in body bags with their organs often missing. For the evil Jewish entity, kidnapping and torturing teenagers and the youth are all acceptable, and there is no distinction with age or sex.

The hearts of our noble and respected mothers are being ripped out and tortured without mercy or any power coming to their rescue. The past 7 months have seen that the Liberal Capitalism machine of racism and greed has been allowed to run wild with its terror methods to force people to submit when they are intellectually deafened.

Where is our Amir Al Mumineen to give the rights of the mother?! Where is the likes of Salahuddin Ayyubi and Umer Ibn Al Khittab who would never accept a word to hurt the heart of a pious Muslimah. ﴿وَالَّذِينَ يَرْمُونَ الْمُحْصَنَاتِ ثُمَّ لَمْ يَأْتُوا بِأَرْبَعَةِ شُهَدَاءَ فَاجْتَدُوا هُمْ ثَمَانِينَ جُلْدَةً وَلَا تَقْبَلُوا لَهُمْ...and those who accuse honourable women but bring not four witnesses, scourge them with 80 stripes and never afterwards accept their testimony. They indeed are evildoers.﴾ [An-Nur 24:4]. In another verse Allah says, ﴿إِنَّ الَّذِينَ يَرْمُونَ الْمُحْصَنَاتِ الْغَافِلَاتِ الْمُؤْمِنَاتِ لُعِنُوا فِي الدُّنْيَا وَالْآخِرَةِ وَلَهُمْ عَذَابٌ عَظِيمٌ﴾ “Lo! As for those who slander virtuous, believing women who are careless, cursed are they in the world and in the hereafter. There will be an awful doom.” [An-Nur 24:22].

Oh Ummah of Muhammad (saw), there is no time to waste or spare in trivial solutions or distractions. Work for the Khilafah and support it with every means at your disposal, and rise to the call of your Lord (swt) without care for worldly punishment or risk. It will earn you the highest place in the ranks of the deliverers, inshAllah!
