

How Did the Al-Assad Regime Fall in Just Ten days, After a Full Thirteen Years of Resistance?!

(Translated)

News:

“The sudden advances made by the armed Syrian opposition within ten days are the unintended result of two other conflicts, one near and the other far away. This leaves many of America’s main allies with a new and largely unknown force led by Islamists, who launched their offensive against the regime on November 27.” (CNN Arabic, 08/12/2024)

Comment:

The Al-Assad regime fell within ten days, and this shows two things. Firstly, the fragility of regimes based on agency to the West and tyranny in Muslim countries. Secondly, the ability of sincere mujahideen to achieve victories through their trust in Allah (swt) and reliance on Him.

It is as if Allah (swt) is sending messages to the Ummah. One of them is in the events in Gaza and the Al-Aqsa Flood, the steadfastness of the Muslims there and the ability of the Mujahideen to inflict great losses on the Jews, the killers of the Prophets (as), and their inability to establish control on the ground, and the exposure of the treachery of the rulers and their conspiracy with the Jews against the Muslims. The other message is how a criminal sectarian regime that has ruled for more than 54 years can be removed overnight.

So will the Ummah rise up to its responsibility? And does the Ummah realize that Victory is from Allah (swt) and that it is an Ummah that Allah has honored with Islam. No matter how much it seeks honor in anything other than it, Allah will humiliate it.

So will the Ummah continue its path after the tyrant is removed and establish the Khilafah (Caliphate) State, and install Allah’s Shariah Law in ruling and the final decision, and announce the destruction of the Sykes-Picot nationalistic borders, and thus truly support Allah (swt) and complete victory and empowerment. Or will the Ummah return to secularism and democracy, and continue to be tied to the ropes of the enemies of Allah (swt), and return to humiliation once again, may Allah (swt) forbid?!
