

The Small Spies are Executed, while the Big Spies Rule Muslim Lands with the Help of heir Sycophants

News:

Following the Zionist entity's attacks on Iran that included sabotage operations with drones and car bombs, a CNN News headline on the 17th of June stated that "**Iran's Mossad paranoia grows, amid fears of Israeli spies wearing 'masks, hats and sunglasses'**".

Comment:

The fear of spies harming the state from inside is valid for any country. The Zionist entity spies on Iran and Iran also has its spies in the Zionist entity, but what makes the Muslim world so vulnerable to spies and traitors, however, is not the hidden people but rather those who commit the biggest betrayals by surrendering Muslim Lands altogether to the West. They are the rulers who surround themselves with sycophants competing to sing the praises of the ruler and distract the people from the crimes of the ruler by false patriotism. Part of this chasing and punishing the spies who reveal the secrets of the state while the rulers themselves announce everything to their handlers in the CIA.

The treachery of these rulers can be seen in their hosting the infidel US military bases that have been used to bring death and destruction upon Muslims; many of which are being used, or prepared for use now against the people of Iran. In **Turkey**, under President Recep Tayyip Erdoğan, the U.S. operates **İncirlik Air Base**, a key NATO installation housing tactical nuclear weapons. **Qatar**, ruled by Emir Sheikh Tamim bin Hamad Al Thani, hosts **Al Udeid Air Base**, the largest U.S. military installation in the Middle East, serving as a regional command and logistics hub. In **Kuwait**, led by Emir Sheikh Mishal Al-Ahmad Al-Jaber Al-Sabah, bases such as **Camp Arifjan**, **Ali Al Salem Air Base**, and **Camp Buehring** support logistics and troop staging. The **United Arab Emirates**, under President Sheikh Mohamed bin Zayed Al Nahyan, hosts **Al Dhafra Air Base**, used for UAV, reconnaissance, and tanker operations. In **Bahrain**, ruled by King Hamad bin Isa Al Khalifa, **Naval Support Activity Bahrain** and **Isa Air Base** support the U.S. Fifth Fleet and regional naval operations. **Oman**, under Sultan Haitham bin Tariq, provides access to **Thumrait Air Base** and Masirah Island for refueling and logistics. In **Saudi Arabia**, led by King Salman bin Abdulaziz Al Saud, the **Prince Sultan Air Base** supports U.S. air operations. **Iraq**, governed by Prime Minister Mohammed Shia' Al Sudani, hosts U.S. troops at **Al Asad**, **Ain al-Assad**, and **Erbil** air bases for training and clandestine operations missions. **Jordan**, ruled by King Abdullah II, provides access to **Muwaffaq Salti Air Base**, **King Faisal Air Base**, and **KASOTC**, supporting drone operations and special forces training. In **Syria**, under President Bashar al-Assad, U.S. troops maintain a presence at **Al-Tanf Garrison** under the pretext of counter-ISIS effort and Bashar's replacement is even more eager to serve Western interests. Finally, **Djibouti**, led by President Ismaïl Omar Guelleh, hosts **Camp Lemonnier**, the only permanent U.S. base in Africa, serving as a hub for drone, and special operations in the Horn of Africa and the Arabian Peninsula.

Despite all the treachery being laid clearly upon the table of the Muslim Lands where our enemies compete to feast upon us, the rulers and their sycophants have no shame in creating endless stories and false struggles in their attempts to distract the Ummah.

The Prophet (saw) said: «يُوشِكُ الْأَمَمُ أَنْ تَدَاعَى عَلَيْكُمْ كَمَا تَدَاعَى الْأَكَلَةُ إِلَى قَصْعَتِهَا» فَقَالَ قَائِلٌ: وَمِنْ قَلَّةٍ تَحُنُّ يَوْمَئِذٍ؟ قَالَ: «بَلْ أَنْتُمْ يَوْمَئِذٍ كَثِيرٌ وَلَكِنَّكُمْ غَنَاءٌ كَغَنَاءِ السَّيْلِ، وَلَيَنْزِعَنَّ اللَّهُ مِنْ صُدُورِ عَدُوِّكُمْ الْمَهَابَةَ مِنْكُمْ، وَلَيَقْذِفَنَّ اللَّهُ فِي قُلُوبِكُمُ الْوَهْنَ». فَقَالَ قَائِلٌ: يَا «حُبُّ الدُّنْيَا وَكَرَاهِيَةُ الْمَوْتِ» رَسُولَ اللَّهِ وَمَا الْوَهْنُ؟ قَالَ: «الْوَهْنُ الْوَهْنُ» "The people will soon summon one another to attack you as people when eating invite others to share their dish." Someone asked: Will that be because of our small numbers at that time? He replied: "No, you will be numerous at that time: but you will be scum and rubbish like that carried down by a torrent, and Allah will take fear of you from the breasts of your enemy and last enervation into your hearts." Someone asked: What is wahn? Messenger of Allah (saw): He replied: "Love of the world and dislike of death."

True and brave sons of this Ummah have demonstrated in many arenas of struggle that the love of the world has not infected their hearts, but the armies of sycophants that surround the corrupt rulers is large and their work to enforce corruption and fitna is pervasive. May Allah grant us victory over their falsehood and corruption.
