

America's Agents Rescue It

(Translated)

News:

Pakistani Prime Minister Shahbaz Sharif announced on Wednesday, April 8, 2026, an immediate ceasefire agreement between Iran and the United States and the Jewish entity.

Comment:

Despite the heavy losses Iran suffered as a result of the barbaric bombing, widespread destruction, and treacherous assassinations of its leadership, its steadfastness in the face of attacks by the United States and the Jewish entity, and its skillful exploitation of its strategic location—including its closure of the Strait of Hormuz—prolonged the conflict, gave it a global economic dimension, and placed the US and the Jewish entity in a predicament. This has led the arrogant American president to rant and rave, making threats and contradicting himself in his statements.

Then America's agents and tools appeared—may Allah (swt) curse them—foremost among them the Prime Minister of Pakistan. As usual, they threw a lifeline to the US, rescuing its beleaguered administration and luring Iran into the trap of negotiations once again. This is a tool America excels at exploiting, maneuvering, and deceiving through. This is precisely what happened, as we witnessed on the very first day of the ceasefire: the criminal Jewish entity launched a brutal and frenzied attack on Lebanon, despite Lebanon being included in the ceasefire agreement according to Iran's ten points, which the arrogant US subsequently denied and refused to endorse.

These negotiations will be a trap set by America for Iran through its corrupt rulers. No Muslim should trust them in the slightest. The Iranian rulers, in particular, have already tasted the bitterness of America's deception and must not be fooled again. For our noble Prophet Muhammad (saw) said, «لَا يُلْدَغُ الْمُؤْمِنُ مِنْ جُحْرٍ وَاحِدٍ مَرَّتَيْنِ» “**A believer is not stung twice from the same hole.**”
