

Nuclear Pakistan Is an Indelible Part of the Islamic Ummah, Capable of Consequence at the Global Level, After the Establishment of the Khilafah Rashidah (Rightly Guided Caliphate)

News:

The media wing of the armed forces of Pakistan, the Inter-Services Public Relations (ISPR), issued a press release on 17 May 2026, responding to an existential threat from the commander of the army of the Hindus, which stated, “Indian COAS gave a provocative statement during a recent interview that ‘Pakistan should decide if it desired to be part of geography and history’... Contrary to the delusional and hallucinational belief system and despite the omnipresent ill wishes that prevail in Hindutva-led India, Pakistan is already a country of consequence at global level, a declared nuclear power and an indelible part of South Asia’s geography and history.” (Source: [ISPR](#))

Comment:

The narrow nationalistic and regional vision of the leadership in Pakistan is still denying the Muslims of Pakistan their full potential. The leadership considers consequence at global level being a messenger boy for Trump, as he struggles to escape the quagmire of conflict with Iran. Moreover, whilst Pakistan is part of the geography and history of South Asia, it has far greater weight, as an indelible part of an Islamic Ummah of two billion, that controls the most important energy corridors in the world, in addition to possessing its greatest share of energy resources.

Whilst the current leadership remains in power, Pakistan will continue to be victim to the plots of the Hindu State, whether continual threats to the water supply or fueling conflicts between Muslims, whether within Baluchistan or with Afghanistan. As for the master of the regime, Trump, he is busy in building his New Middle East, in which his protégé in the West, the Jewish entity, and his protégé in the East, the Hindu State, are to dominate the Muslims. As for the Muslims, their role in Trump’s New Middle East is to be fighting amongst themselves under the banners of counter-terrorism and separatism. These are the immediate bitter fruits of the leadership that does not see beyond nationalism and regionalism.

O Muslims of Pakistan!

How are you silent before the nationalism of the leadership of Pakistan? Nationalism is evil pride and destructive racism, which your great Deen has forbidden. The Prophet (saw) said, «إِذَا الرَّجُلُ تَعَزَّى بِعِزِّهِ الْجَاهِلِيَّةِ فَأَعْضُوهُ بِهِنَّ أَبِيهِ وَلَا تَكُنُوا» **“He who calls the pride of ignorance, it is as if he bit his father’s genitals, and do not be embarrassed to say this.”** The Prophet (saw) said regarding the chauvinism of ignorance (جاهلية jahilliyah), «دَعُوهَا فَإِنَّهَا مُنْتَنَةٌ» **“Leave it for it is rotten.”** It has been reported in Sahih Muslim that the Messenger of Allah (saw) said, «وَمَنْ قَاتَلَ تَحْتَ رَايَةٍ عَمِيَّةٍ» **“Whosoever fights under a**

blind banner, gets angry along with his tribe, or calls to tribe, or supports a tribe, and is subsequently killed because of that, then he dies a death of ignorance.”

When the disbelieving states spread nationalism among the Muslims, they tore up the unity of the Muslims into disparate peoples and races. When Turkish, Arab, Kurdish and Persian nationalism was stirred up amongst the Muslims, the ranks of the Islamic Ummah became divided. This led to Muslim division, break-up of their single state, and their single region being separated from another. Its danger was destructive to the Islamic Ummah and to the Islamic state, and its harmful effects remain with us until now.

O Muslims of Pakistan, indeed, we are crippled by a nationalistic leadership, when Pakistan is capable of establishing a strong Khilafah Rashidah that will rapidly unify the Muslim World as a single powerful state. We long for the ruling by all that Allah (swt) has revealed, just as the Muslims from Indonesia to Morocco do so. The only question is who amongst the Muslims will be the first to strive, sacrifice and become worthy of the nasr of Allah (swt).

O Muslims of the Armed Forces of Pakistan!

What is the vision of Trump and his agents in your military leadership, including his favorite field marshal, Asim Munir, for you? It is perpetual fighting of Muslims, upon the colonialist concept of Low-Intensity Conflict (LIC) for the armies of Muslims, which is designed to both weaken our abilities and prevent us from fighting the enemies from amongst the Jews, Hindus and crusaders. Trump's men in your leadership boast of their abilities in diplomacy and negotiation when it comes to saving America from the wrath of the Muslims of Iran, but have no such vision for the Muslims of Afghanistan, who not so long ago fought side by side with you against Soviet Russia. Your nationalist leadership will never lead you to granting nussrah (نصرة military support) for the establishment of the Khilafah, unifying the entire Muslim World, forcing the US to retreat from our lands and liberating Kashmir and Al-Masjid Al-Aqsa.

If it is not clear to you already, with each passing week and month, it is becoming clearer to you that you need a new leadership, which is built on securing the interests of Islam and its Ummah. We need an Islamic leadership that will settle the disputes amongst Muslims, force the enemies to retreat and lead all of humanity on the basis of the justice and guidance of Islam. That leadership is Hizb ut Tahrir (حزب التحرير Party of Liberation) which moves within you, between you and around you, within easy reach, so respond, O servants of Allah (swt).
