Comment:

Syrian conflict has continued for more than four years. Over this period, we witnessed brutal massacre, when several hundreds of thousands Syrian Muslims died, while millions fled as refugees.

All this happens alongside inaction (read as “assistance”) of the so-called international community which used as an excuse for the absence of Security Council resolution, while allowing Bashar Assad to destroy people of Sham by any means. But when military intervention was needed in order to try to direct the Syrian revolution in a convenient way, we witnessed how superpowers launched air strikes without any resolution. Afterwards again we saw criminal inaction of superpowers and how they complained that there is no resolution of Security Council that would allow the international community to act.

And now at the end of September we see a new episode of superpower intervention in Syrian conflict.

On 27th of September French Air Forces launched air strikes against al-Bagdadi organization in Deir ez-Zor.

On 30th of September Russian Air Forces also launched air strikes against al-Bagdadi organization in Syria.

Motivation of France was exposed by its French experts. Experts of French Centre for Intelligence Studies insist that these air strikes cannot prevent terrorist acts in France and they have only political aim. By using its bomber jets in Syria apart from being led by US coalition, Paris wants to be a part in the Syrian conflict resolution.

As for Russia, its intervention in Syrian conflict could take place only after America's approval. During his speech in United Nations General Assembly, US President Barack Obama said, "US is ready to cooperate with any nation including Russia and Iran in order to resolve conflict in Syria..."

Today when the US still could not find a replacement for its agent Assad, military and financial aid of Iran and Russia are no longer enough in order to keep Assad's regime alive. To keep his regime alive now they need direct support, and Russia is the only superpower which is convenient for this role. For this reason the US agreed to direct intervention of Russia in the Syrian conflict.

As for Russia itself, direct involvement in the Syrian conflict gives it a chance to get rid of any isolation which it faced as a result of its aggressive activity in Crimea and Eastern Ukraine.

This is the real face of capitalist superpowers, where they pursue their own foreign interests. They do not care about the hundreds of thousands of victims that the Syrian people paid in order to build its own life according to its religion, values and aspirations.

This situation when capitalist superpowers tear the people of Sham and their country to pieces in order to pursue own interests is narrated in the hadeeth of Prophet Muhammad (saw):

«يُوشِكُ الْأَمَمُ أَنْ تَدَاعَى عَلَيْكُمْ كَمَا تَدَاعَى الْأَكَلَةُ إِلَى قَصْعَتِهَا». فَقَالَ قَائِلٌ: وَمِنْ قَلَّةٍ نَحْنُ يَوْمَئِذٍ؟ قَالَ: «بَلْ أَنْتُمْ يَوْمَئِذٍ كَثِيرٌ، وَلَكِنْكُمْ غُثَاءٌ كَغُثَاءِ السَّيْلِ، وَلَيَنْزِعَنَّ اللَّهُ مِنْ صُدُورِ عَدُوِّكُمْ الْمَهَابَةَ مِنْكُمْ، وَلَيَقْذِفَنَّ اللَّهُ فِي قُلُوبِكُمُ الْوَهْنَ». فَقَالَ قَائِلٌ: يَا رَسُولَ اللَّهِ! وَمَا الْوَهْنُ؟ قَالَ: «حُبُّ الدُّنْيَا وَكَرَاهِيَةُ الْمَوْتِ.»

"The People will soon summon one another to attack you as people when eating invite others to share their food." Someone asked, "Will that be because of our small numbers at that time?" He replied, "No, you will be numerous at that time: but you will be like foam that is carried down by a torrent (of water), and Allah will take the fear of you from the breasts (hearts) of your enemy and cast al-Wahn into your hearts." Someone asked, "O Messenger of Allah, what is al-Wahn?" He replied, "Love of the world and dislike of death." [An authentic hadith recorded by Abu Dawud and Ahmad]

As it is narrated in hadeeth the Islamic Ummah, its territories and resources became object in international struggle of capitalistic states, when they tear the Ummah's body into pieces not only in Syria, but also in other parts of the world.

But Elhamdulillah today Ummah perfectly realizes that solution of this plight situation lies in another hadeeth of Prophet Muhammad (saw):

«إِنَّمَا الْإِمَامُ جُنَّةٌ يُقَاتِلُ مِنْ وَرَائِهِ وَيَتَّقِي بِهِ»

"Only the Imam is a shield, behind whom you fight and you protect yourself with..." (Muslim)

Indeed, today the Ummah wants to take back its shield – the righteous Khaleefah, that will end infringement of superpowers and bring back the former glory and greatness, and will carry Islam to the whole world.
