Comment:

As is known, the list belonging to the regime and opposition was submitted to the UN Special Envoy to Syria, but an agreement on the list of independents could not be reached in one way or another. Moreover, differences of opinion about who will become the committee president and how he will make decisions kept going. However, Çavuşoğlu's last statement indicates that quite a bit progress is made in this matter.

For nine years, no weapon is left unused, no time is left unspent wherein it's abstained from massacre, and no living creature is left unharmed in Bilad al-Sham, which the disbelievers and their gangs turned into an operation area. In the end, nearly 1 million Muslims were murdered, and millions of Muslims have become refugees. The month of Ramadan, which is the month of expedition, conquest and victory for the Muslims, unfortunately has become a month wherein disbelievers' attacks, oppression and crimes against Muslims became denser. The fact that Russia and the regime recently attacked Idlib again, where millions of Muslims are stuck, reveals their desire to affect the constitutional preparation phase further, which almost came to an end. At the same time, it could be said that they want to break the resistance of Muslims further and make them come to the table faster.

The Syrian Revolution experienced oppression of every kind and in all aspects for 9 years. It has witnessed the betrayal of hypocrites, who seem friends, brothers but cooperate with the disbeliever, and try to make the Muslims accept the dirty plans which are prepared in their dark rooms. Surely, these betrayals have led to greater destructions than the experienced persecutions. The process which is led by the rulers of Turkey and Saudi Arabia in particular had shown how they supported the regime with their moves during the most critical moments of the revolution.

The Geneva talks organized by the US for the failure of the revolution, the protection of the regime and the decisions made during these talks are completely being carried out today by the puppets of the US. Turkey, which completely carried out the duty imposed through the Euphrates Shield and Olive Branch Operation, facilitates today the coordination of the new constitution proceedings on behalf of the US. The struggle that the Muslims started 9 years ago, persecutions and hundreds of

thousands martyrs were in order to abolish the void regime, constitution and tyrant Assad. They were not intended for the return of the void regime and the constitution.

Nor were they intended to prepare a non-Islamic constitution by gathering with those tyrants and disbelievers who are the supporters of these massacres. These prices were paid in order to get rid of the hegemony of the disbelievers, to end the void regime and constitution, to get rid of puppet rulers and to establish the Islamic System. This is for sure known by everyone.

Our rulers, who are not willing and not able to help our Muslim brothers and sisters, who are deaf and blind to all the cruelty and slaughter, and who take their stand on the side of the oppressors, are now adding new infamies by daring to make a new constitution which will be disgrace for them in the world and in the hereafter. This is a betrayal. And if this betrayal is covered up today, it will surely be revealed tomorrow. Just like the fact that Russia entered Syria by the will of the United States in 2015 to keep the regime on its feet is revealed these days.

You, who take the desires of USA as orders, did not hesitate to avoid the addressing of Allah, whereas Allah (swt) says: **﴿يَا أَيُّهَا الَّذِينَ آمَنُوا لَا تَتَّخِذُوا الْيَهُودَ وَالنَّصَارَىٰ أَوْلِيَاءَ ۚ بَعْضُهُمْ أَوْلِيَاءُ بَعْضٍ ۚ وَمَنْ يَتَوَلَّهُمْ مِنْكُمْ فإِنَّهُ مِنْهُمْ إِنَّ اللَّهَ لَا يَهْدِي الْقَوْمَ الظَّالِمِينَ﴾** **“O you who have believed, do not take the Jews and the Christians as allies. They are [in fact] allies of one another. And whoever is an ally to them among you - then indeed, he is [one] of them. Indeed, Allah guides not the wrongdoing people.”** [Al-Maida: 51]

If the threat in this verse was understood well, set aside to collaborate, they would even abstain to be on the same picture with those disbelievers. If you really want to do a worthy job in this blessed and virtuous month full of victory and conquest, then you have to move your army towards the regime and its masters, so that you can prove that you are with the oppressed. In this way, you could fight against the enemies of Allah and Muslims until Allah sends His Victory. So you could eventually free yourselves from being a puppet of the disbelievers and you could be honourable both in this life and Hereafter. You have that power and opportunity if you become determined and courageous.
