

Rulers of Banu Saud are Qarmatians of the Era

(Translated)

News:

Saudi Minister of Hajj and Umrah Muhammad Salih Banten said that the number of Hajj pilgrims this year may be only about one thousand pilgrims from amongst the citizens and residents of the Kingdom, to prevent the spread of the Coronavirus. He said, "God willingly, the numbers may be in the range of a few thousands, we are still in the review stage, it may be a thousand or less or little more." Health Minister Tawfiq Al-Rabiah said in his part that the authorities will exclude those who are above the age of 65 years and those who suffer from chronic diseases. He added that the Hajj Pilgrims will be subjected to coronavirus testing before (performing) the obligation and after Hajj, they will be subjected to house quarantine for 14 days. Al-Rabiah emphasised that the medical crews will be equipped to accompany the pilgrims in their rituals, and hospitals will be allocated in anticipation of any emergency and the health center will be in Mina. Comment:

The last thing which the rulers of Banu Saud think in both of their political and religious sides is the examination of the Sharia aspect for the permissibility of preventing the Hajj or limiting the counts of pilgrims. They established the regime by betraying Allah, His Messenger and the believers, when they stabbed the Ottoman Khilafah in its back and established their monstrous state. This was the regime that spared no effort since its establishment to fight against Islam and Muslims, particularly in its isolation of the two Holy Masjids (Haramain Al-Sharifain) by occupying them, preventing and depriving the Muslims from different lands of the world to visit them only with great difficulties. Hence, it will not be an exaggeration to describe Saudi regime with its two parts of political and 'religious' from amongst the sultan scholars as a new Qarmatian regime.

The regime's talk of its disruption to the obligation of Hajj on the pretext of pilgrims' safety is a lie based on reality and history of the regime. In reality, the Saudi regime is ruling with Kufr and taking Kuffar, led by America as allies. It is far from the truth that the regime cares for the safety of Muslims. If it were concerned for the safety of Muslims, it would have been concerned to please the Lord of Muslims and ruled with what Allah (swt) has revealed. If it were concerned for the safety of Muslims, it would have not killed them and it was apparent that they killed them in different parts of the Muslim world. The regime has apparently killed more than a million Muslims during the crusade campaign (War on Terror) in Iraq. The regime has killed the same in Afghanistan. And now, the regime is killing and spilling the Muslims' blood, both during holy months and other months, in Yemen, Syria and other regions. The regime has stood, and is still standing as a spectator to watch the killing of Muslims by Buddhists, Hindus and atheist communists in Burma, Kashmir and East Turkestan. After all these, will the sane person believe that the obstruction of the Hajj obligation is for the safety concern of Muslim pilgrims?!

As for the scholars of harm from the Aal-Sheikh (sheik's family) and their supporters, who claimed Wahhabism and "Sunni (themselves as Ahlus Sunnah)", they are the partners of the regime in treachery, Kufr, and agency. They have always, and are still obeying the masters of the regime from amongst colonial Kuffar by detailing the Fatwas on required size. They have been the partners of Saud and his sons to depart from the Ottoman Khilafah

state. They gave them fatwas that allowed them to do so, despite the Sahih hadith of Prophet (saw) in which he (saw) says, «مَنْ خَلَعَ يَدًا مِنْ طَاعَةِ لِقَى اللَّهِ يَوْمَ الْقِيَامَةِ لَا حُجَّةَ لَهُ، وَمَنْ مَاتَ وَلَيْسَ فِي عُنُقِهِ بَيْعَةٌ «One who withdraws his hand from obedience (to the khalifah) will find no argument (in his defense) when he stands before Allah on the Day of Resurrection; and one who dies without having sworn allegiance will die the death of Jahiliyya (Days of Ignorance).» [Muslim]. They gave them fatwas for the crusade alliance and for opening the crusader bases in the land of two holy cities (Al-Haramain) to transgress and occupy the Muslim lands in Iraq and Afghanistan. They gave them fatwas for the permissibility of Arab Initiative, that was presented by the deceased King Abdullah bin Saud under which the most hateful creations of Allah, Jews owned the blessed land of Palestine. They changed and replaced their previous fatwas of prohibiting songs and music and they made them as permissible (Mubah) 'entertainment' and emphasised Sunnah (*sunnah Muakkadah*). May Allah destroy the scholars who are on the doors of hell as they were affirmed by the hadith of Messenger of Allah (saw), «إِنَّ اللَّهَ لَا يَقْبِضُ الْعِلْمَ انْتِزَاعًا يَنْتَزِعُهُ مِنَ الْعِبَادِ، وَلَكِنْ يَقْبِضُ الْعِلْمَ بِقَبْضِ الْعُلَمَاءِ، حَتَّى إِذَا لَمْ يَبْقَ عَالِمٌ اتَّخَذَ النَّاسُ رُءُوسًا جُهَالًا فَسُئِلُوا فَأَمْتُوا بِغَيْرِ عِلْمٍ فَضَلُّوا وَأَضَلُّوا» «Allah does not take away the knowledge, by taking it away from (the hearts of) the people, but takes it away by the death of the scholars when none of the scholars remains, people will take ignorant as their leaders and they will be asked (to give fatwa) and so they will give Fatwa without knowledge. Thus they will go astray and will lead the people astray» [Bukhari & Muslim].

The only reason for the disruption of the obligation of Hajj is the Banu Saud's war against Islam and Islamic rituals. Coronavirus, which is weaker than a spider's web, is only a veil for them to hide it. Had they looked a little bit into what comes in Islam on how to perform the rituals of Hajj during the spread of diseases, they would have found the correct practical sharia solution in Islam. **And the solution is the prohibition of sick and old people to attend the Hajj whilst opening the door vast for all those whose hearts are attached to the two holy cities (Haramain Al-Sharifain) from amongst billions of Muslim Ummah.** Far far away is the search of Shaytan from the rulings of Allah in Allah's Book and His Sunnah!

Indeed, the two Holy cities (Haramain Al-Sharifain) along with Najd and Hejaz were occupied by the gang who are outside of the Millat of Islam and they are not least criminals than Qarmatians who prevented Muslims from Hajj and took away the Black Stone (Hajar Al-Aswad) into their kingdom. It is obligatory to expel them and liberate Hejaz and the two holy cities from their filth. Liberating the two holy cities is of more priority and obligatory than liberating Al-Aqsa (Palestine) from Jews. The Nobility of the two holy cities is greater amongst Allah than the nobility of Al-Aqsa. In reality, liberating the two holy cities through the Khalifah (Caliphate) of the Muslims will naturally liberate the blessed land of Palestine. Hence, in order for the Muslims to perform the rites of Hajj, it is obligatory upon them to liberate the two holy cities from the filth of Banu Saud's regime according to the sharia principle "That, without which the obligation cannot be accomplished, is itself an obligation". Thus work to establish the Khilafah Rashidah (rightly guided Caliphate) upon the method of Prophethood, O Muslims, especially the armies of Muslims.
