

The Khilafah (Caliphate), on the Shores of the Mediterranean and in the Heart of the Muslim Homeland, the Levant, exists despite the Jews and their Allies and Agents

(Translated)

On Monday, April 21, 2025, various media outlets reported a statement by the Prime Minister of the criminal entity, Benjamin Netanyahu, stating that he would not "accept the establishment of any Caliphate on the Mediterranean coast." He explained that "the Israeli response will not be limited to Yemen, but will extend to Lebanon and other fronts". He added, "I have repeatedly said that we will change the face of the Middle East, and this is what we are actually implementing now. Thanks to the decisions and steadfastness of my government, we have broken the axis of evil in Gaza, Lebanon, Syria, and other locations. We know our enemy well, and we will not accept the existence of a Caliphate here or in Lebanon. We are working to ensure Israel's survival."

Such statements, although not new to the Kuffar (infidels), Jews and Christians, have been made for over a hundred years, specifically since the fall of the Khilafah expressing their fear of the establishment of a unified Khilafah encompassing Muslims from Indonesia in the East to Morocco in the West...However, for such a statement to come at a time when the Ummah is experiencing difficult labor pains in Muslim lands in general, and the Levant in particular, "on the shores of the Mediterranean", as that criminal idiot put it, is a clear indication of the Jews and those who succeeded them realizing the reality of this conflict and the reality of this labor pains, and that the awaited birth will be, Allah willing, none other than the second Khilafah (Caliphate), following the path of prophecy, foretold by the Messenger (saw) in his description of the political stages the Ummah is going through; thus, its conclusion will be musk, as in his hadith: «ثُمَّ تَكُونُ خِلَافَةٌ عَلَى مِنْهَاجِ نُبُوءَةٍ، ثُمَّ سَكَتَ» **"Then there will be a Khilafah (Caliphate) based on the method of prophecy," then he remained silent...** After this current regime, which the Prophet (saw) described in the same hadith as "coercive rule," there is nothing left but the Khilafah (Caliphate), a matter of unanimity and without dispute...

People may imagine that this Netanyahu is speaking from a position of strength and victory. A careful observer will see that his statement reveals the panic that fills his heart regarding the return of the Khilafah. While he is threatening the Muslim Ummah, which bows only to the One who created it, he is also subtly reminding the Kuffar (infidel) states that he is carrying out the mission of "preventing the establishment of the Caliphate" on their behalf.

While he is demonstrating strength and the ability to win, he knows and is certain that the Muslim Ummah is steadfast before him and has not been defeated. The first of this Ummah are the people of the Levant, the people of Jerusalem and its environs, including Gaza, and the last of them, until the last place where Muslims remain...If Gaza alone has defeated this entity and the combined states of Kufr and subservience that succeeded it, then what about a Ummah that longs to carry the banner, defame them, and fulfill the words of Allah Almighty: ﴿فَإِذَا جَاءَ وَعْدُ الْآخِرَةِ لِيَسُوءُوا وُجُوهَكُمْ وَلِيَدْخُلُوا الْمَسْجِدَ كَمَا دَخَلُوهُ﴾ **And when the second warning would come to pass, your enemies would 'be left to' totally disgrace you and enter that place of worship as**

they entered it the first time, and utterly destroy whatever would fall into their hands.” [Al-Isra 17:7]. If he “will not accept the establishment of any caliphate on the Mediterranean coast.” What would he think if it came from outside? The Khilafah is a demand of the entire Ummah, not just the people of the region! It is enough for one regime to fall in a Muslim country and for the advocates of the Islamic Khilafah to assume power there for its message to spread throughout the Ummah like wildfire. If this stench is experiencing such panic, how can he intimidate and threaten?!

O Muslims, from “one of the shores of the Mediterranean” of Lebanon we say:

The Ummah awaits the purest of the faithful and the strong to support Allah's religion, overthrow these rulers, and establish Allah's rule on earth...If the Muslim rulers had the slightest sense of jealousy for their Ummah, or a desire to save themselves and their families from the Ummah's wrath, they would have quickly sided with this oppressed Ummah. But there is not a single sensible man among them!

O sincere soldiers of Egypt, the best soldiers on earth... **O brave Jordanians**, heroes of the dignity that brought the Jews to their knees... **O soldiers of Turkey**, Mehmed the Conqueror, and Sultan Abdul Hamid... **O mujahideen of ash-Sham**, who cried out in the recent past, "It belongs to Allah, it belongs to Allah...!"

Here is your enemy expressing his true fear of the Khilafah, the true promise of Allah Almighty and the glad tidings of your Prophet (saw). So, give good tidings to my servants... Oh, pure and righteous officers and soldiers, take your turn and be supporters of Allah, and join those working to establish the Khilafah... Your enemy has realized that you are at your best, while he is at his weakest. Are you aware? So, hasten it before it hastens you, especially in Egypt and Jordan. Rush to support your Deen and your Ummah, for you, Allah willing, are capable of doing so. Show Allah what He loves from you... This is the great event that the Ummah is eagerly awaiting, and which those working to establish Allah's rule are waiting for, so that they can then set out, just as the Prophet (saw) set out in Medina, to establish rule at home and spread Islam through preaching and jihad abroad... This is the path by which affairs will be set right and conditions for Muslims and non-Muslims throughout the world will be harmonized... This is the path that Allah intends to guide.

Allah Almighty said: ﴿وَعَدَ اللَّهُ الَّذِينَ آمَنُوا مِنْكُمْ وَعَمِلُوا الصَّالِحَاتِ لَيَسْتَخْلِفَنَّهُمْ فِي الْأَرْضِ كَمَا اسْتَخْلَفَ الَّذِينَ مِنْ قَبْلِهِمْ وَلَيُمَكِّنَنَّ لَهُمْ دِينَهُمُ الَّذِي ارْتَضَى لَهُمْ وَلَيُبَدِّلَنَّهُمْ مِنْ بَعْدِ خَوْفِهِمْ أَمْنًا يَعْبُدُونَنِي لَا يُشْرِكُونَ بِي شَيْئًا وَمَنْ كَفَرَ بَعْدَ ذَلِكَ فَأُولَٰئِكَ هُمُ الْفَاسِقُونَ﴾ “Allah has promised those of you who believe and do good that He will certainly make them successors in the land, as He did with those before them; and will surely establish for them their faith which He has chosen for them; and will indeed change their fear into security—‘provided that’ they worship Me, associating nothing with Me. But whoever disbelieves after this ‘promise’, it is they who will be the rebellious.” [An-Nur 24:55]
