

You Burn Aleppo in Flames ... We will Remain and Aleppo will Remain

﴿قَتَلَ أَصْحَابُ الْأُخْدُودِ * النَّارِ ذَاتِ الْوَقُودِ * إِذْ هُمْ عَلَيْهَا قُعُودٌ * وَهُمْ عَلَى مَا يَفْعَلُونَ بِالْمُؤْمِنِينَ شُهُودٌ * وَمَا نَقَمُوا مِنْهُمْ إِلَّا أَنْ يُؤْمِنُوا بِاللَّهِ الْعَزِيزِ الْحَمِيدِ﴾

“Cursed were the companions of the trench * [Containing] the fire full of fuel, When they were sitting near it. And they, to what they were doing against the believers, were witnesses. And they resented them not except because they believed in Allah, the Exalted in Might, the Praiseworthy.” [Al-Buruj: 4-8]

(Translated)

Just as Chosroes attacked and destroyed Aleppo, and just as the Romans attacked and burned Aleppo, and just as the Tatars stormed and corrupted Aleppo, now the allies of the false resistance camp have attacked and displaced the people of Aleppo, and massacred its children, and widowed its women and burned its trees. ﴿لِيُطْفِئُوا نُورَ اللَّهِ بِأَفْوَاهِهِمْ وَاللَّهُ مَتَمِّمٌ نُورِهِ وَلَوْ كَرِهَ الْكَافِرُونَ﴾

“They want to extinguish the light of Allah with their mouths, but Allah will perfect His light, although the disbelievers dislike it” [As-Saff: 8] Even if the spiteful “resistance” hate it.

And just as the Ummah of Islam defeated and eliminated Chosroes, and the Romans were hit by widespread evil, and made the Tatars taste raging flame, the Ummah will inflict their pouring anger on those who shed blood, Allah willing, so wait for this in patience.

O Muslims of Lebanon: Aleppo's lesson is not far from you, and those close and far have abandoned it. Those claiming to protect it have abandoned it, and handed it over to the spiteful killers, to take retribution from its people and drink the blood of its children, and leaders of sects in Lebanon are either allies of the killers in Aleppo, or tools for the masters of the killers in Aleppo, so declare your innocence from them before the day comes when they surrender your necks to be slaughtered by the enemies of the Deen, then regret will be of no avail.

And to the Party of Iran and those who stand by its side, we say: Is the killing of women and children, a holy jihad O party of Iran?! Did you go to Syria and terrorize the secured people for this reason?! Did your party shift from being the resistance to a broker with the blood of the children?! How will you meet your Lord and the blood of the people of Aleppo cover your spears and guns?! O our people who support the party of Iran, only yesterday were such pictures were of the children of Qana, do you accept it today for the children of Aleppo and its sisters?! It is time to make your stand regarding the spilling of the blood of your sons, especially since among you are wise ones who want to spare you the catastrophes... so take the position of the truth today, and say that which you can meet your Lord with tomorrow.

O people in all of Lebanon: We have seen the images of death and destruction in Aleppo, the fire of hostility did not distinguish between a child, a woman, or an elderly man. Know that the displaced will not return to their homes, for they no longer have houses left! If you do not stand in the face of the tyranny of the party of Iran, their harm will reach you inevitably, it will deliver the same destruction to you, which it carried out in Syria. Allah (swt) says:

﴿إِنْ هُوَ إِلَّا نَذِيرٌ لَكُمْ بَيْنَ يَدَيْ عَذَابٍ شَدِيدٍ﴾

“He is only a warner to you before a severe punishment” [Saba': 46].
