

During the Ten (Days) of Dhul-Hijjah the Palestinian Authority Imposes Vice by the Force of Arms

(Translated)

In the city of Khalil Al-Rahman, known for its conservativeness, chastity and protection of honour, the city's dignitaries and its men announced their objection to the holding of a mixed marathon organised by an association with suspicious objectives on Monday 13/08/2018. The people of the city and its dignitaries called for the stop of this marathon that is contrary to our values and our creed. They headed to the location of the Marathon's launch to declare their refusal of spreading the atmosphere of mixing and immorality and breaking the barriers between males and females.

The Palestinian Authority (PA) has always been hiding behind the suspicious institutions in carrying out its subversive actions. Today, it has exposed its true colours and policy in corrupting the country and the people. It mobilized its gangsters from various apparatuses and assaulted the people of the city and its dignitaries with gas bombs, beatings and arrests as if they are saying: ﴿أَخْرِجُوا آلَ لُوطٍ مِنْ قَرْيَتِكُمْ إِنَّهُمْ أَنَاسٌ يَنْطَهُرُونَ﴾ **"...Expel the family of Lot from your city. Indeed, they are people who keep themselves pure."** [An-Naml: 56]

The PA then allowed the marathon to go ahead under armed protection, and recruited their media mouthpieces to decorate their crime and attack the people of the country who call for chastity and uphold the values of our true Deen... as if they are saying we will spoil your children and spread the vice among them and prevent you from thinking of forbidding the evil or preventing it, as if they want the people of Palestine to surrender to their crimes and their immorality!!

Thus, the PA is committing its crime in the days that Allah has made great, the days of good deeds in which Muslims draw closer to Allah to honour His rituals, the days when the righteous rush to do good deeds, but the criminal PA wants to make them days of distraction and immorality. Which values does the PA and its men want to spread? The Western values, Jewish values, or values of vice and corruption? Allah (swt) says: ﴿إِنَّ الَّذِينَ يُحِبُّونَ أَنْ تَشِيعَ الْفَاحِشَةُ فِي الَّذِينَ آمَنُوا لَهُمْ عَذَابٌ أَلِيمٌ فِي الدُّنْيَا وَالْآخِرَةِ وَاللَّهُ يَعْلَمُ وَأَنْتُمْ لَا تَعْلَمُونَ﴾ **"Indeed, those who like that immorality should be spread [or publicized] among those who have believed will have a painful punishment in this world and the Hereafter. And Allah knows and you do not know"** [An-Nur: 19]

And the protective people of Palestine refuse that their honour and dignity are sold and for the corrupt and abominable to meddle with it. The PA, its men and its mouthpieces will pay the price for their action and corruption in this world, and the torment of the Hereafter is greater if they knew.

O people of Palestine:

Today, you are targeted in your Deen and your honour. So take a stand that Allah and His Messenger love, and do not remain silent over the actions of the Kuffar and their tools; the PA and the suspicious institutions which spare no effort to remove the dress of chastity and piety from you. Stand as lions and protectors in the faces of the oppressors. You are the only ones that can be relied upon to make the plots of the Kuffar go against them. Allah is with you and will not waste the reward of your actions.
