Hizb ut Tahrir / Wilayah Bangladesh organized Protests on Gaza Genocide O Muslims! Reject the 'Two-State Solution' and call upon the Military Officers to Follow the Footsteps of Salahuddin Ayyubi to Liberate Palestine

Hizb ut Tahrir / Wilayah Bangladesh, today, Friday (10/5/2024), organized protests and demonstrations in various mosque premises of Dhaka and Chittagong, titled “O Muslims! Reject the 'Two-State Solution' and call upon military officers to follow the footsteps of Salahuddin Ayyubi to liberate Palestine”. At the beginning of the Protests, the participants displayed various placards, festoons and chanted various slogans against Western crusaders, Jewish entity and treacherous Muslim rulers and for military operations to liberate Palestine; such as: 'Two-State Solution', Kuffar's Prescription; Send Muslim Armies - Liberate Palestine; Muslims Are One Body; 'Why is the Israeli plane in Dhaka - We want answers; Israel is the shadow of treacherous Muslim rulers'; 'Only Khilafah will liberate Palestine; 'La ilaha illallah - Al Khilafah Wada'Allah'.

Speakers at the rally said: While massacres on the Muslims in Gaza, the West Bank and other regions continue, Hasina government has taken steps to normalize relations with the illegal Jewish entity, as part of which two cargo planes from “Israel” landed on Bangladesh two days in a row. As you know, the Hasina government has not sent military forces to protect the Palestinians, but has sent a 75-member naval team under the UN to the Lebanese border to protect the Jewish entity.

Speakers at the rally called for a rejection of the 'Two-State Solution': Treacherous Muslim rulers, including Hasina, are adopting America's position on Palestine, which every time begins with a call for a ceasefire and ends with a proposal for a 'Two-State Solution'. The 'Two-State Solution' is the final step in the conspiracy against Palestinian Muslims. As you know, in 1917, 'Balfour Declaration' by the British Foreign Minister's included the British government's support for the establishment of a national home for Jews in Palestine. Since then, Jewish refugees expelled from various European countries entered Palestine in groups and started settling. During the Second World War, Jewish refugees flocked to Palestine in large numbers and began to evict Muslims from their homes. After the Second World War, under the supervision of America, in November 1947, according to the United Nations Security Council Resolution 181, Palestine was partitioned and this illegal occupation of the Jews was recognized as a legitimate state. With the help of Western crusaders including Britain-America, this illegal Jewish entity currently occupies about 85% of the land of Palestine. The 'Two-State Solution' recognizes this illegal occupation of Palestinian land. In addition, this proposed Palestinian state without a military force was framed in light of the policy of permanently disarming Palestinian Muslims so that the Jewish entity would never face resistance.

Regarding following the footsteps of Salah al-Din Ayyubi to liberate Palestine, speakers said: Allah (swt) says of the hypocrite rulers, ﴿صُمٌّ بُكْمٌ عُمْيٌ فَهُمْ لَا يَرْجِعُونَ﴾ “**Deaf, dumb and blind – so they will not return [to the right path]**” [Surah Al-Baqarah: 18]. Therefore, we must turn to the sincere military officers and encourage our sons and brothers in the military for the liberation of Palestine; so that they follow the steps of Salahuddin Ayyubi. Who overthrew the hypocrite rulers and united the Muslim lands and conducted a military campaign to liberate Jerusalem from the Christian Crusaders in 1187. The biggest obstacle to the liberation of Palestine is the current regime, the agents of the West, who keep our military in barracks. Therefore, the real way to liberate Palestine is to call upon our sons and brothers in the military forces to remove these ruling classes that are obstructing the way of the liberation of Palestine and to grant nussrah to **Hizb ut Tahrir** for the re-establishment of the Khilafah (Caliphate), the Khilafah State that will liberate Palestine through military operations, insh'Allah.

﴿وَيَوْمَئِذٍ يَفْرَحُ الْمُؤْمِنُونَ * بَنَصْرِ اللَّهِ يَنْصُرُ مَنْ يَشَاءُ وَهُوَ الْعَزِيزُ الرَّحِيمُ﴾

"And that day the believers will rejoice. In the victory of Allah. He gives victory to whom He wills, and He is the Exalted in Might, the Merciful" [Surah Ar-Rum: 4-5].
