Bdnews24.com and Bangla Outlook have Exposed themselves as Lackeys of India by Spreading Lies against the Sincere Political Party Hizb ut Tahrir

On 23/08/2024, **Hizb ut Tahrir / Wilayah Bangladesh** held a massive protest rally and procession against India's water aggression, declaring India as an enemy state and demanding cancellation of all agreements and memorandums of understanding with India. Since then, several Indian media outlets have started to spread false news and narratives that are sensationalist in nature in order to create fear about **Hizb ut Tahrir** among the people. In this context, some of the media outlets in Bangladesh as well have started following in the Indian media's footsteps. These local media have exposed their true face to the people by spreading false propaganda against **Hizb ut Tahrir** and acting as proxy of the enemy state.

O People! You know that **Hizb ut Tahrir** had raised up strong protests against the brutal killing of talented military officers in Pilkhana in February 2009, a conspiracy by Hasina and India to weaken the country's military force. Due to the protests, activists of **Hizb ut Tahrir** were subjected to persecution by the Hasina government. In this context, the Hasina government attempted to suppress **Hizb ut Tahrir** and arbitrarily proscribed the organization. But disregarding Hasina government's repressive policies, **Hizb ut Tahrir** kept on its protest and built public opinion against the disappearance-arrest-dismissal-compulsory retirement of military officers. Whereas you are witnessing that even though the secular sold-out politicians, intellectuals and a few so-called journalists had failed to take a strong stand against India for the sake of the country, they have not failed to carry out propaganda directly or indirectly against the truthful and sincere political party **Hizb ut Tahrir** in order to gain favor from India. Allah (swt) says ﴿قَاتِلْهُمْ اللَّهُ أَنَّى يُؤْفَكُونَ﴾ **“May Allah condemn them! How can they be deluded from the truth?”** [At-Tawba: 30].

We, **Hizb ut Tahrir**, strongly condemn the disinformation of these agent media and wish to reiterate that to prevent the resurgence of Islam worldwide the Colonialists and their agent rulers have been engaged in the policies of the so-called “war on terror” that is actually “war on Islam” to suppress the Muslims. It is the duty of every Muslim to reject these media which act as tools and lackeys of the Colonialists and their agent rulers. Allah (swt) says, ﴿وَاللَّهُ يَشْهَدُ إِنَّ الْمُنَافِقِينَ كَاذِبُونَ﴾ **“Allah bears witness that the hypocrites are liars indeed”**. Stand beside the **Hizb ut Tahrir** and work hand in hand with it for bringing back the only solution to all the crises our nation is facing – the Khilafah (Caliphate) on the method of Prophethood.
