O People, the Extremist Hindutva organization ISKCON is a proxy of India - We must demand that ISKCON be banned along with cutting of all diplomatic relations with India

The leader of the extremist Hindutva group ISKCON (International Society for Krishna Consciousness), a proxy of the Mushrik State India, was arrested for anti-state activities, and his supporters created unprecedented chaos and terror in the court premises amidst the presence of a large number of security forces. They even attacked and vandalized the mosque in the court premises, just as Hindutva activists attack mosques in India. At one point, they set an example of audacity by forcibly grabbing a state lawyer named Saiful Islam Alif (35) from his chamber in broad daylight and slaughtering him to death. Saiful Islam's mother cried out, "How could they slaughter my tahajjud praying son?" (Nayadiganta, November 26, 2024). The secular-democratic politicians and media of the country are so morally bankrupt that they hesitate to reveal the truth! Later, when this atrocity was revealed on social media, the mainstream media of the country still hid the real incident saying that the lawyer died due to clashes between the police and protesters! Through this incident, it is evident that the Mushrik State of India, like the illegal Jewish entity, is crossing the borders to spread its atrocities on Muslims of this land by using one of its proxy forces ISKCON. Allah (swt) says, ﴿لَتَجِدَنَّ أَشَدَّ النَّاسِ عَدَاوَةً لِّلَّذِينَ آمَنُوا الْيَهُودَ وَالَّذِينَ أَشْرَكُوا﴾ "You will surely find the most intense of the people in animosity toward the believers [to be] the Jews and those who associate others with Allah" [Surah Al-Ma'idah: 82].

The subservient political parties of our country have called on the Muslims across the country to remain calm by caring them of domestic and foreign conspiracies instead of proposing to take actions against India and its proxy ISKCON. Rather, it is because of their slavish attitude and policy of restraint that India is increasing the level of its aggression against our land day by day. India is constantly spreading propaganda against the Muslims of this country under the label of attacks on 'minorities'. Instead of confronting this propaganda of India politically, the secular-democratic agent group is using that label against the Islam-loving people of this country. As a result, this land inhabited by 90% Muslims have become a guardian-less minority. In this way, the secular-democratic agents are abandoning Muslims in the hope of gaining the support of India, neglecting the blood of Muslims, and betraying Islam and Muslims. Yet, the Prophet (saw) while explaining the dignity of Muslims, said while performing Tawaf, pointing to the holy Kaaba, «وَالَّذِي نَفْسُ مُحَمَّدٍ بِيَدِهِ لِحُرْمَةِ الْمُؤْمِنِ أَعْظَمُ عِنْدَ...Surely, by the One in Whose Hand is the soul of Muhammad! The sanctity, wealth and blood of a Muslim are more honorable to Allah than the purity of your (Kaaba)" (Ibn Majah).

O People, while maintaining good relations with India, the merely banning the extremist Hindutva organization ISKCON will not change the current situation. Therefore, we must demand to declare India an enemy state and cut of all diplomatic relations with India.

O People, you have witnessed that at this very time, when Hindu extremists attacked a mosque in India and killed many Muslims, the secular-democratic forces of the country have failed to express even the slightest condemnation. Yet they themselves do not hesitate to praise India as the largest democratic country in the world. On the other hand, the flag

bearers of Islamic nationalism in this country consider friendship with America as inevitable necessity to confront India. Yet India is playing the role of a watchdog in protecting the interests of the West in this region and India is a member of the American military alliance 'QUAD' in the Indo-Pacific region. Also America is the number one supporter of the accursed Jewish entity. Therefore, the subservient policy of the agents and the support of America are giving a chance to a fragile State like India which is plagued by internal political divisions to interfere in our land.

O Muslims, what other examples do you need to expose the true face of the current secular and democratic politics to you! Allah (swt) says, ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا لَا تَتَّخِذُوا الْيَهُودَ وَالنَّصَارَىٰ﴾ **“O you who have believed, do not take the Jews and the Christians as allies. They are [in fact] allies of one another. And whoever is an ally to them among you – then indeed, he is [one] of them”** [Surah Al-Ma'idah: 51].

O Muslims, RasulAllah (saw) said, ﴿وَأِنَّمَا الْإِمَامُ جُنَّةٌ يُقَاتِلُ مِنْ وَرَائِهِ وَيَتَّقِي﴾ **“The only Imam (Caliph) is a shield behind which you fight and you protect yourselves.”** (Sahih Muslim). Due to the absence of the Khilafah - the true guardian of Muslim Ummah, we actually become a stateless orphan nation and despite being the largest nation in the world, persecuted and humiliated everywhere. Therefore, you must unite under the leadership of **Hizb ut Tahrir** to bring back the Khilafah (Caliphate) on the method of Prophethood.

O Muslims, there is no use in expressing your demands and cries to these agents who are kneeling before India. You have to demand from your sons working in the military who hold the keys to power. Only they are the capable one to hand over the power to **Hizb ut Tahrir** to establish the Khilafah (Caliphate) to fulfil your aspirations, like they took stand with you to force to flee Hasina-the agent of India. The military officers are also positive towards the establishment of the Khilafah, they want to see a strong demand for the establishment of the Khilafah from you. Therefore, you should demand that they support **Hizb ut Tahrir** in establishing the Khilafah. Only Khilafah state can stop the atrocities of India and restore stability to the region.

O Sincere officers of the military! You must feel honored by your great religion. Allah ﷻ says, ﴿كُنْتُمْ خَيْرَ أُمَّةٍ أُخْرِجَتْ لِلنَّاسِ تَأْمُرُونَ بِالْمَعْرُوفِ وَتَنْهَوْنَ عَنِ الْمُنْكَرِ وَتُؤْمِنُونَ بِاللَّهِ﴾ **“You are the best nation produced [as an example] for mankind. You enjoin what is right and forbid what is wrong and believe in Allah”** [Surah Aali-Imran: 110]. Because of this excellence, your predecessor the brave general of the Umayyad Caliphate- Muhammad bin Qasim at the age of 17, defeated the tyrant King Dahir in 712 and conquered Sindh, and freed the people of this region from oppression. So why are you unable to come forward to help your Muslim brothers and sisters within your reach? Why were you unable to protect the blood of your colleagues and your own institution from the Indian conspiracy in Palkhona? Even though you have brave soldiers among you, why are you unable to come forward to protect the sovereignty of the country and give a befitting reply to India? Like the general people you also expected that in post-revolutionary Bangladesh, the politics of treachery and betrayal would end, and the Palkhona conspirators would be under trial, but after witnessing the current situation you must feel deceived. The main reason for this is that the secular and democratic Western agents have kept you bound in the chains of Colonialism and are the first line of defense for the Western Colonialists and their regional allies. They are the main obstacle to the establishment of the Khilafah. Therefore, you must overcome this obstacle, restore your self-respect and honor, and give nussrah (hand over authority) to **Hizb ut Tahrir** to establish the Khilafah.

﴿وَكَانَ حَقًّا عَلَيْنَا نَصْرُ الْمُؤْمِنِينَ﴾

“...and incumbent upon Us was support of the believers” [Surah Ar-Rum: 47].
