Sending Bangladesh Army Chief to India is another Act of Treason of Hasina Government

The Chief of Army Staff of Bangladesh Army General Aziz Ahmed made his first foreign six-day tour in India on July 31, 2018 after assuming office. He met high-ranking dignitaries and visited important military installations at Agra and Lucknow. He also visited his alma-mater, School of Artillery at Deolali where he underwent Long Gunnery Staff Course at the institution during 1992-1993. Choosing enemy India to be the first country to visit is perceived as more of a 'homage to the master' than as something that will help strengthen 'mutual trust' (!).

As part of continuing treachery against the Ummah, the current secular Awami League government is working with the openly staunch enemy India. Cooperation in the field of defense is a blatant act of treason as it is well known that the Mushrik India, which surrounds Bangladesh from almost all sides, is the only true enemy to this Muslim majority country. The aggressions of India against Bangladesh are well-known everyday affairs. Regular border killing, withholding water of international rivers like Padma, Meghna, Tista, so-called push-back of their Muslim population, supporting hill-tract insurgents, taking control of natural resources, plundering peoples' wealth, are just a few examples. India with the connivance of the Hasina government is constantly striving to subjugate the Ummah by destroying her wealth and power. India knows it very well that only the rise of Islam will permanently end their dominance on the land. Therefore, we have observed India creating a nexus with a certain slavish top brass of our military to curb the rise of Islam under the cloak of anti-terrorism co-operation and joint exercise. It is not surprising that the visit of the defense chief has taken place at a time when India has effectively disenfranchised 4 million citizens of Assam, the vast majority of who are Muslims. It is predictable that the ostracized citizens will be pushed in Bangladesh, and for accomplishing their evil task they would seek the cooperation of the defense force of Bangladesh.

This visit is, therefore, a part of the on-going efforts of New Delhi to deepen her ties with Dhaka on the military front too, apart from the political and economic sectors. And our lackey government will concede all the demands of India disregarding the rights of the people only to secure their power by proving their worth as slaves of India, the regional ally of the global imperialists, US-UK.

O Muslims! You are well aware about treacherous Hasina government's limitless collaboration with India against this country. The dominance of this Mushrik state can only be eliminated with the power and authority of Islam. Therefore, re-establishment of Khilafah (Caliphate) state is the true solution to save the Ummah from the clutches of this enemy state. The Khilafah will take care of your affairs and fulfill your trusts, will eliminate forever the domination of India and all other imperialists over the sovereignty, security, resources and military of our country.

O Sincere and Courageous Officers in the Military! Freeing us from the dominance and conspiracies of the imperialists is your sacred duty. And, that is only possible through establishing the Khilafah. So, to free this nation, give nusrah to **Hizb ut Tahrir** to re-establish the Khilafah Rashidah (Rightly Guided Caliphate).

Allah subhana wa ta'la says: ﴿إِنْ يَتَفَقَّهُكُمْ يَكُونُوا لَكُمْ أَعْدَاءٌ وَيَبْسُطُوا إِلَيْكُمْ أَيْدِيَهُمْ وَأَلْسِنَتَهُم بِالسُّوءِ وَوَدُّوا لَوْ تَكْفُرُونَ﴾

"Should they gain the upper hand over you, they would behave to you as enemies, and stretch forth their hands and their tongues against you with evil, and they desire that you should disbelieve." [Surah Al-Mumtahanah: 2].
