

Press Release**America Kills Muslims, Violates Their Sanctities, and Loots Their Country
Because Muslims Do Not Have a Protector!**

(Translated)

US President Joe Biden announced at dawn on Tuesday, 2/8/2022, that they had killed Dr. Ayman al-Zawahiri on Saturday, 30/7/2022, in an air strike carried out by a drone on his place of residence in Kabul, the capital of Afghanistan, and that this came after monitoring his movements since the beginning of this year, when he moved to live with his family in the center of the Afghan capital.

Dr. Ayman al-Zawahiri realized his aim by winning one of the two Husnayain, when he was martyred at the hands of the American intelligence, the most hostile American institution against Islam and Muslims and the deadliest to them... America kills and slaughters the children of Muslims, violates its sanctities, and it violates the land, sea and air, it finds no one to stand in its face, and here we ask:

Could America have carried out such an operation and killed one of its wanted men in London, Beijing or Moscow? The answer is of course, no.

Why, after it withdrew from Afghanistan after nearly 20 years of war, why does America still behave as if Afghanistan is an ongoing war zone?! The answer is: America is a colonial country that has not yet been satiated with plundering the wealth of Muslim countries. As for its withdrawal from our lands, it is only a temporary withdrawal until it ends its crises with China and Russia, and then returns to complete its looting!

Afghanistan and other Muslim countries are still under the fire of America's armies because there are no organized forces in them that can deter America. Where are the air defenses to impose no fly zones over the skies of Afghanistan for American planes? And where are the intelligence services, to poke the eyes of the spies in Kabul and other places?

The salvation of Afghanistan and its people from the treacherous American traps have not yet been achieved. The people of Afghanistan have not yet attained safety from the harm and greed of the West. Salvation and security will not be achieved unless the Muslims have a Khilafah (Caliphate) state that will make America and those who follow it forget the whispers of Satan, as Abu Bakr As-Siddiq, may Allah be pleased with him, did when he answered the rumors of the Romans, making them history.

The Muslims of Central and South-Central Asia are thirsty for the return day of the Khilafah that will be their center of power, that their hearts will fall in love with it, so they will extend their abilities and capabilities, lives, money and men to it. Allah (swt) has prepared Afghanistan and Pakistan and their surroundings for this matter, and blessed them with bounties and an excellent geopolitical position, and blessed their people with a strong love of Islam.

As for the colonial kaffir West, headed by America, it is still entering the tunnel of societal discord, heralding the eruption of internal crises. It came to the point that the American parties started to bring men of doubtful competence to power; from Trump, who exacerbated the obsession and criminal hostility in part of the base of the Republican Party, to Biden, whom they chose despite knowing that he was showing signs of dementia... The timing of the American president's assassination now, that is, a few months before the congressional elections, is an indication of the extent of the Democratic Party's confusion and fear of losing power. Thus, politicians in America are dragging the country into a societal rupture that has become difficult to avoid.

In conclusion, we call upon Muslims in Afghanistan and Pakistan to put their hands in the hands of Hizb ut Tahrir to establish the Khilafah Rashidah (Rightly-guided Caliphate) State on the method of the Prophethood, that will give them the center of power, to unite Central and South Asia, to begin a new page of glories in the history of the Islamic Ummah. Allah says: ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا إِن تَنصُرُوا اللَّهَ يَنصُرْكُمْ وَيُثَبِّتْ أَقْدَامَكُمْ﴾ **“O you who have believed, if you support Allah, He will support you and plant firmly your feet”** [Muhammad: 7].
