With Hysterical Cheers and Applause, the US Congress Welcomed the Butcher of Gaza!

﴿قَدْ بَدَتِ الْبَغْضَاءُ مِنْ أَفْوَاهِهِمْ وَمَا تُخْفِي صُدُورُهُمْ أَكْبَرُ﴾

**“Hatred has already appeared from their mouths, and what their
breasts conceal is greater” [Aal-i-Imran: 118]**

After ten months of daily massacres against the people of Gaza, which were broadcasted moment by moment with sound and image in high definition, with numbers, statistics, testimonies and judicial convictions... after all that, the US Congress received the head of the War Council on Gaza, the Prime Minister of the Jewish entity Netanyahu, with a party of applause and hysterical cheering as if he is one of the heroes of their people. Their inner voice saying: We want to reward you, Netanyahu, for killing the Muslim people of Gaza on our behalf. Allah (swt) says: ﴿إِنْ ﴿١٢٠﴾ **“If good touches you, it distresses them; but if harm strikes you, they rejoice at it” [Aal-i-Imran: 120].**

Actions continue to prove that the kaffir colonial West only views the Islamic Ummah as a defeated people, and that its countries are its colonies. If the West could wipe out Muslims from the face of the earth, it would have done so. In the West's mind, the Crusades have not ended, but have only been given new names. It does not take long for it to emerge from one era of colonialism before it enters another; changing faces and names but not actions; military, economic and cultural attacks, denying the Muslims' right to their humanity, even to defend themselves, their countries and their beliefs, and gives open support for criminal agent rulers who open the doors of the countries for it to plunder and for its colonial mischief.

Indeed, the Kaffir West inherited hatred for Islam from its crusader ancestors! Although it underwent the path of enlightenment that brought it out of the darkness of the Middle Ages, its heart still lives in that darkness, especially when dealing with Islam and Muslims. This is the reason why it is still afraid to open their mind to Islam, and the simplest example of this is its war on the chastity of Muslims, even though it realizes that it is chastity!

This is the West and these are its politicians who stand applauding the butcher of Gaza, the criminal Netanyahu!

O Muslims... O best Ummah brought for humankind: We must build our world quickly, a world for Muslims, in which their integrity is preserved and their Deen is elevated, the state of the second Khilafah Rashidah (Rightly-Guided Caliphate) on the method of the Prophethood. Know that your life will not be stable unless you establish a state that rules by Islam. The path to stability is to overthrow the traitorous rulers, restore authority, establish the rule of Islam, and expel the influence of the kaffir colonialist West from our lands.

O Muslims... O Owners of Pulpits, Platforms and Media: Look how they applauded the butcher of Gaza while his hands are still soaked in the blood of the people of the Blessed Land of Palestine! Does that not provoke you to reconsider your message in informing the Islamic Ummah about its issues?! The Jewish entity and the Kaffir colonial West behind it were able to destroy Gaza while your cameras were filming the actions and airing them moment by moment. They were only able to do that because they were assured that the Muslim armies would be given strict orders not to move. These armies whose soldiers are your sons and brothers, which were provided for and trained with your money and wealth. So do not stand silent, but rather speak out about the duty of the people of power and protection to mobilize the armies and overthrow the traitorous criminal rulers.

O soldiers in the Muslim armies: You have been stationed in the barracks for ten months, watching the Jews destroy Gaza and kill its people. With what face will you meet Allah on the Day of Judgment, when the people of the blessed land have been killed in front of you and you have weapons in your hands?! Where is the love of Allah, His Messenger, and the believers? Do you worship Allah and love His Messenger, or do you worship your rulers and love their dinars? Where is your chivalry, courage, and initiation? For what war are you preparing? Isn't it time for you to realize that the rulers will not give you freedom of movement except to destroy the homes of your people over their heads? So, what are you waiting for Islam requires you to move now to save the people of Palestine from the crimes of the Jewish entity. If the rulers stand in your way, it is your duty to take them to task for their betrayal. Now is the time to correct the course of action, so move to support the Blessed Land of Palestine, as the entire Ummah awaits you and is ready to walk with you on the path of liberation from colonialism and its influence. So what will you do?

Allah (swt) says:

﴿وَالَّذِينَ آوَوْا وَنَصَرُوا أُولَٰئِكَ هُمُ الْمُؤْمِنُونَ حَقًّا لَهُمْ مَغْفِرَةٌ وَرِزْقٌ كَرِيمٌ﴾

“...And those who gave shelter and aided - it is they who are the believers, truly. For them is forgiveness and noble provision” [Al-Anfal: 74].
