A Loose Jewish Entity in Muslim Lands that Kills Here and There How Long will this Humiliation Last, O Muslim Armies?!

(Translated)

At dawn on Wednesday 31/7/2024 CE, the hand of Jewish criminality assassinated the head of the political bureau of Hamas, Ismail Haniya, after his residence in the Iranian capital, Tehran, was bombed in a scene that is becoming more hideous due to the lack of sanctity of Muslim lands, length and breadth.

Ismail Haniya, may Allah have mercy on him, wished for martyrdom for the sake of Allah, and he achieved his desire, Allah willing. He was preceded by a number of his family and sons during the criminal attack that the Jewish entity is still waging on Gaza, and we in Hizb ut Tahrir ask Allah to accept them all as martyrs, and we do not commend anyone before Allah.

O Muslims: The Jewish entity is nothing but a cowardly mouse living in the pocket of the kaffir colonial West. Once it leaves it, it quickly returns back inside it to hide! Look how it does not even dare to adopt an assassination operation. Last week, we saw their prime minister begging the West to help him expand the war front. Therefore, what is killing us is the continued watching of the Muslim armies at the treachery of the rulers of the Muslim countries, who gave strict orders not to move the armies to support the blessed land of Palestine. The silence of the Muslim armies on this matter and their failure to remove the rulers and declare the call for jihad to save the blessed land is what is killing us. Rather, it makes us watch ourselves as we are being killed!

O soldiers in the Muslim armies: Where are you, O Muslim armies; O army of Egypt, O army of Iran, O army of Pakistan, O army of Turkey, O armies of the Arabian Peninsula and Iraq... Where are you from the slogans of sovereignty that you have cracked our heads with? The Jewish entity, along with the kaffir colonial West, are roaming your countries, violating their skies, lands, seas and people until they have become open arenas for them to hunt humans, and you watch and do not feel any chivalry to move the military battalions to open the borders and declare jihad to uproot this evil entity from the blessed land. The Ummah is waiting for such a moment, so tell us for what war are you preparing?! Now is the test of men's mettle.

To the owners of podiums and media websites and platforms: The kaffir colonial West, with the cowardly Jewish entity in its pocket, and with them the traitorous and agent rulers, have made the Muslim countries a breeding ground for their crimes against the Muslims. And these people will not be deterred except by the armies that have been loaded with our sons, trained and provided for with our money. If they do not move, we will remain in the crosshairs of the crimes of the kaffir colonial West and its tools. So, focus your words on making public opinion understand that the armies must move now, not tomorrow, to rid us of the Jewish entity, the influence of the West and the agent rulers. Allah (swt) says: ﴿وَحَرِّضِ الْمُؤْمِنِينَ عَلَى اللَّهِ أَنْ يَكْفَى بَأْسَ الَّذِينَ كَفَرُوا وَاللَّهُ أَشَدُّ بَأْسًا وَأَشَدُّ تَنكِيلًا﴾

“And motivate the believers ‘to fight’, so perhaps Allah will curb the disbelievers’ might. And Allah is far superior in might and in punishment” [An-Nisa: 84]
