## The Real Angry Response Should Not Be Less than the Response of Al-Mu'tasim!

(Translated)

A reactions have continued due to the desecration of the sanctity of Al-Aqsa Mosque by the Jewish Minister of National Security Itamar Ben-Gvir, because of his statements about building a synagogue in Al-Aqsa Mosque.

The actions and statements of that fool Ben-Gvir have provoked the “anger” of the Organization of Islamic Cooperation (OIC), the Arab League, Al-Azhar Al-Sharif, and many foreign ministers in the harmful entities in Muslim countries. They varied in expressing their “anger”; from denouncing and condemning those actions and statements; to warning of the explosion of the situation in the region, to fearing for the peace process, to demanding the adoption of serious and strict (positions) towards Ben Gvir's statements, to calling on the active parties of the international community to assume their responsibilities, to warning of the impact of those statements on the efforts to reach a ceasefire agreement in Gaza and the exchange of prisoners!!

What is this nonsense, you insignificant ignorant (Ruwaybidha) rulers of Muslim countries? What are these trivialities issued by the officials of the OIC, the Arab League, and Al-Azhar Al-Sharif? A fool acts, speaks, and challenges, and does not find men like Al-Mu'tasim in front of him who express true anger towards what he says and does?!

We have not seen a single response from a single soldier in the great Muslim armies. We have not heard that there is someone who has sworn not to sit down until he teaches that fool and those with him and those behind him a lesson that will make them forget the whispers of Satan, and make them history!!

What should be mentioned in this context, and we address it to the foolish rulers in the Muslim countries, to the armies in them, and to all Muslims, is the Hadith of the Messenger of Allah (saw): «أَعَاذَكَ اللَّهُ يَا كَعْبُ بْنُ عُجْرَةَ مِنْ إِمَارَةِ السُّفَهَاءِ». قَالَ: وَمَا إِمَارَةُ السُّفَهَاءِ؟ قَالَ: «أَمْرَاءُ يَكُونُونَ مِنْ بَعْدِي، لَا يَهْتَدُونَ بِهَدْيِي، وَلَا يَسْتَنْوْنَ بِسُنَّتِي، فَمَنْ صَدَّقَهُمْ بِكُذِبِهِمْ وَأَعَانَهُمْ عَلَى ظُلْمِهِمْ، فَأُولَٰئِكَ لَيْسُوا مِنِّي، وَلَسْتُ مِنْهُمْ، وَلَا يَرُدُّونَ عَلَيَّ حَوْضِي، وَمَنْ لَمْ يَصَدِّقْهُمْ بِكُذِبِهِمْ وَلَمْ يَعْزَمْ عَلَى ظُلْمِهِمْ، فَأُولَٰئِكَ مِنِّي، وَأَنَا مِنْهُمْ، وَسِيرُدُونَ عَلَيَّ حَوْضِي» **“May Allah protect you O Ka'ab Bin 'Ujra from the rulership of the foolish.”** He asked what that was, and Allah's Messenger replied, **“After my time governors will arise, they will not be guided by my guidance and will not adhere to my way, those who believe their falsehood and assist them in their oppression, they have nothing to do with me and I have nothing to do with them, and they will never come down to me at the Hawdh. But they who do not believe their falsehood and do not help them in their oppression, those belong to me and I belong to them, and those ones will come down to me at the Hawdh.”** Even the foolish rulers did not reach the level of Ben Gvir's foolishness, so they limited themselves to words without action!

The real “angry” response is not words or statements, but rather it is as Al-Mu'tasim and other Muslim caliphs did; massive, roaring armies, crushing everything green and dry before them, and making the Jewish entity a story in history, and making it a lesson for others, and a message to the kaffir states that stood behind it... If you do not do this today, the Khilafah (Caliphate) State on the method of the Prophethood, will do it tomorrow. Then the Jewish entity, and the rulers in our countries and the kaffir states who provide that pariah entity with the means of life, will see what they are wary of, and they will encounter what will upset them and disgrace them, Allah willing.

﴿فَاتَقَمْنَا مِنَ الَّذِينَ أَجْرَمُوا وَكَانَ حَقًّا عَلَيْنَا نَصْرَ الْمُؤْمِنِينَ﴾

**“Then We inflicted punishment upon those who persisted in wickedness. For it is Our duty to help the believers”** [Ar-Rum: 47]
