The Stabs in the Back of the Ummah Continue from the Ruwaibidah Agent Rulers of the Muslims!

(Translated)

The Kingdom of Al Saud renews its stabs in the back of the Islamic Ummah by collaborating with the Ruwaibidah (incompetent negligent) rulers in Islamic countries through their rush to normalize relations with the usurping entity, despite all the crimes of genocide and terrorizing of Muslims in the Gaza Strip and the West Bank committed by that monstrous entity. The Saudi Ambassador to the United States, Reema bint Bandar Al Saud, attended the Middle East American Dialogue Summit in the American capital, Washington, in an event described by the newspapers of the Jewish entity as "unprecedented", as a number of senior officials from their entity participated in the same event, and the Moroccan and Bahraini ambassadors to the United States participated in the mentioned summit. The official website of the Middle East American Dialogue Summit (MEAD) says that it "stands at the forefront of fostering significant dialogue between the United States and the Middle East. Our annual gathering brings together leaders from both regions to strengthen alliances and shape future policies."

These steps certainly serve the rush of these agents to what they call the "normalization deal", as if the land of Palestine and its people are a cheap commodity that the *Ruwaibidah* trade in their clubs at the cheapest prices, but rather without a price! This is what the entity's media reported from a senior official, who predicted the possibility of concluding a normalization deal between Saudi Arabia and the Jewish entity during the period between the start of the US elections in November and the inauguration of the new US president on January 20, while stressing that this "requires a ceasefire in Gaza, and a vision regarding resolving the Palestinian issue." Instead of eliminating the usurping Jewish entity, it provides peace and security; this is what the Saudi ambassador confirmed in a previous statement during the World Economic Forum in Davos, in January 2024, where she stated in her interview with Becky Anderson, CNN anchor: Saudi Arabia "fully recognizes the need for 'Israel' to feel safe, it cannot be at the expense of the Palestinian people." This statement in itself proves the great betrayal committed by the Al Saud rulers who have dedicated themselves to serving the Jews, and even providing them with political and economic support to continue their injustice and oppression of Muslims in Palestine.

Considering what US Secretary of State Anthony Blinken said at a press conference in Haiti: that he "still hopes" to conclude a normalization agreement

between the Jewish entity and Saudi Arabia before the end of US President Joe Biden's term in January 2025. We understand where this poisonous wind comes from and we know who is running this corrupt policy. America is determinedly seeking to reach an agreement in which Saudi Arabia would recognize the Jewish entity (publicly), in exchange for establishing a stronger security relationship between Riyadh and Washington, and providing American assistance to a Saudi civilian nuclear program that has the ability to enrich uranium. America is holding the stability of the Saud monarchy hostage in its hands, and the price for it is normalization with the entity, as it did before with the Emirates, Bahrain, and Morocco, and the way is soon paved for Sudan to announce this normalization as well.

Returning to the ambassador's statements about the wider region, Princess Reema bint Bandar said: "But the longer that this goes on, it is inevitable that either a rogue entity or a mistake will happen that will take us back. And I hate to say it, but back to the Stone Age. It is a hot and volatile area, my part of the world." She realizes that if the inflamed region explodes, it will burn their entities and end their authority, and this will not be through a "rogue entity", as she describes it, but rather through a strong state that restores the authority of the Ummah and sovereignty in it is for the true Sharia and is built on the embedded Aqeedah (doctrine) of the Ummah. This is the second Khilafah Rasheedah (rightly guided Caliphate) State on the path of the Prophethood, and not a return to the Stone Age. Rather, it is the revival of the Ummah from its slumber, so that it may rise from its backwardness, shake off the dust of weakness, and undertake jihad to liberate the lands and its people, uprooting all these wicked entities and conspiring governments, ending injustice, and getting rid of the oppressors. This is what the West, its agents and its collaborators in the region fear, because the Khilafah (Caliphate) State will not accept the humiliation and degradation that the West has inflicted through its Ruwaibidah rulers who sold their land and honor in exchange for shabby thrones and obsolete authorities.

We warn these agents of what the Lord Almighty said in Surat Al-Ma'idah: يَا أَيُّهَا الَّذِينَ آمَنُوا لَا تَتَّخِذُوا الْيَهُودَ وَالنَّصَارَىٰ أَوْلِيَاءَ بَعْضُهُمْ أَوْلِيَاءُ بَعْضٍ وَمَنْ يَتَوَلَّهُمْ مِنْكُمْ فَإِنَّهُ مِنْهُمْ إِنَّ اللَّهَ لَا يَهْدِي الْقَوْمَ الظَّالِمِينَ ﴿٥١﴾ **"O believers! Take neither Jews nor Christians as guardians—they are guardians of each other.¹ Whoever does so will be counted as one of them. Surely Allah does not guide the wrongdoing people."** [Al-Ma'idah 5:51].
