Our Dead are in Heaven and Your Dead are in Hell

(Translated)

The world received the news of the martyrdom of the hero Yahya Sinwar; who was a thorn in the side and a lump in the throats of the Jewish entity and those behind it, who planned Operation Al-Aqsa Flood on October 7th, 2023, the operation that shook the Jewish entity, threatened its existence, and sent messages of terror to the leaders of the kafir countries; the gist of it is that the Muslims are coming!

The martyr hero was one of the targets of the Jewish entity's war on Gaza, due to the annoyance that filled the hearts of the Jews from Operation Al-Aqsa Flood. He was martyred, may Allah have mercy on him, facing forward and not retreating, and we do not praise him before Allah (swt).

The martyr, may Allah have mercy on him, and his brothers, the fighters, have achieved great success against the enemies and trodden the ground that angered the kuffar. He instilled hope in the Islamic Ummah, reminded it that it is the Ummah of the message and the best nation brought forth for humankind. The goal of eliminating the Jewish entity became a reality before the eyes of Muslims, awaiting the hour when Allah (swt) will honour them by uprooting the insignificant ignorant (Ruwaybidha) rulers who control them, and they will set out with the armies, chanting Allahu Akbar, to eliminate the Jewish entity from existence and cut the rope that the major countries are supplying them with.

What is disgusting is what the senile American president did by congratulating the Prime Minister of the Jewish entity on the killing of Yahya Sinwar. By doing this, he is provoking the Islamic Ummah and inciting them against him and his country. Let that senile president know, and let his administration behind him know, that the time of reckoning is coming soon, Allah willing, and then the Caliph of the Muslims will teach you lessons that will make you forget the whispers of Satan!!

The message that we repeat on such an occasion is that the Islamic Ummah has a cause, and it must take measures of life and death towards it, so that its cause may triumph, its banner may be raised, and those among them who are martyred for its sake may be martyred. Whenever a leader is martyred, another succeeds him, and whenever a soldier is martyred, dozens replace him. Even if they are in pain, our enemies are in pain as we are. But we hope from Allah what they do not hope for, we are certain of the victory of our Lord (swt), for He is the One who said: ﴿إِنَّا لَنَنْصُرُ رُسُلَنَا وَالَّذِينَ آمَنُوا فِي الْحَيَاةِ الدُّنْيَا وَيَوْمَ يَقُومُ الْأَشْهَادُ﴾ **“We certainly help Our messengers and the believers, ‘both’ in this worldly life and on the Day the witnesses will stand forth ‘for testimony’”** [Ghafir: 51].
