

Press Release

O Muslims: The Jewish Entity is Rampaging in Your Lands, and You are Not Moving a Finger!

(Translated)

Every day, we hear news of dozens of martyrs and hundreds of wounded in Gaza, in addition to the destruction, displacement, and occupation. This has happened ever since the Jewish entity violated the ceasefire agreement and resumed its war on Gaza. The sanctity of Eid al-Fitr did not deter it from committing its crimes, just as the sanctity of the month of Ramadan did not stop it.

Yesterday, its forces struck targets in Daraa, killing (martyring) and wounding many. They also bombed the Hama Military Airport and the Scientific Research Center in Damascus. The new Syrian administration has remained silent, as it has done on all previous occasions when the Jewish entity attacked Syrian lands, facilities, and military bases.

Before that, last month, it launched artillery shelling and airstrikes on southern Lebanon that killed and destroyed. Before that, in July of last year, 2024, the Jewish entity launched raids on targets in Yemen.

As for the crimes of the Jewish entity inside Palestine, there is no shortage of them. Not a day goes by without its army and settlers storm cities, villages, and camps, killing, destroying, and arresting as they please.

All of this and more is happening in your lands with American military, political, and financial support, and with the inaction and even complicity of your rulers. So, what about you, Muslims?!

Have you not yet become certain of the treachery of your rulers and their conspiracy with the Kuffar and enemies against you? Have you not yet comprehended the cause of the severe affliction you are experiencing? Have you not yet discerned the correct path to salvation?

Whoever among you does not know, let him know that the cause of the severe affliction you are experiencing is the absence of Islamic rule and the absence of its state: the Khilafah (Caliphate) on the method of Prophethood, which protects Islam and is feared by your enemies, preventing anyone from even thinking of attacking you. When the rule of Islam disappeared, vile, base, and Ruwaibidha (lowly ignorant) rulers took control over you. They do not care about your interests, nor do they care about protecting you from your enemies as much as they care about their own thrones and serving their Kafir masters. You have no salvation except by getting rid of them and establishing the Khilafah on the method of Prophethood, so that it governs you with Islam, unite your armies to protect you and liberate your lands, and carry Islam as a message of guidance and light to all people.

There is no doubt, O Muslims, that you are capable of this. You do not lack numbers, equipment, land, or armies, and Hizb ut-Tahrir, the carrier of this project is among you. It calls upon you and repeats its call to you every day, night and day, to support it, establish with it the Khilafah State on the method of the Prophethood, get rid of the Ruwaibidha rulers, repel aggression against your lands, and restore your prestige, honour, and dignity.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا إِن تَتَصَرُّوا اللَّهَ يَتَصَرَّكُمْ وَيُبَيِّتْ أَقْدَامَكُمْ﴾

“O believers! If you stand up for Allah, He will help you and make your steps firm”
