The Arab-Islamic Ministerial Committee is in One World, While the Ummah and its Concerns are in Another!

(Translated)

Media outlets reported that the Arab-Islamic Ministerial Committee intends to visit Ramallah. The visit comes as part of preparations for the "Two-State Solution" conference, expected to be held in New York under the leadership of France and Saudi Arabia from June 17-20. The delegation of the aforementioned ministerial committee is headed by Saudi Foreign Minister Faisal bin Farhan, and also includes the foreign ministers of Jordan, Egypt, Qatar, Bahrain, and Oman.

It has become clear to anyone with sight and insight that the rulers of the Muslims are not ashamed of Allah, His Messenger (saw) nor of their own people. While the Jewish entity is committing massacre after massacre in Gaza, and storming cities and villages in the West Bank, humiliating their people, these insignificant Muslim rulers have not fired a single bullet at it. Rather, they are sending their foreign ministers to visit Ramallah, under the spears of the usurping Jews, to "discuss mechanisms for joint Arab action to garner international recognition of the State of Palestine on the 1967 borders with East Jerusalem as its capital."

It is time for the Islamic Ummah to realize that its calamity does not lie in the pariah Jewish entity, nor in the kaffir (disbelieving) states behind it that provide it with the means of life and the tools of killing, destruction and genocide. Rather, its calamity lies in its ruwaibidha (insignificant ignorant) rulers, who do not repel an aggressor or hold back a plunderer. Rather, they conspire with their enemies, prevent them from fulfilling their duty in repelling aggression, provide the criminal Jewish entity with protection and cover up its crimes, conclude peace and normalization agreements with it, provide it with the means of life, and arm it with military equipment with which it kills the sons of the Ummah in Gaza, the West Bank and elsewhere.

The aggression of the pariah Jewish entity has extended beyond Palestine to Lebanon, Syria, Iran and Yemen, and its military machine is rampaging through Muslim lands without any objection from the ruwaibidha rulers, let alone any of them attempting to repel its aggression! And with all this and that, we find them sending their delegations to Ramallah under its spears, to seek peace with it.

Enough is enough! it is time for you, O Muslims, to realize the truth about your rulers, to reject them completely, to remove them like a shoe, to restore matters in your country to their proper place, and to hand over your leadership to the aware and sincere among your sons, to Hizb ut Tahrir, which is still striving to lead you to revival, to unite your lands into one entity with one army, to lead you not only to repel the aggression of the Jews, but to cleanse the Blessed Land of them, and to make their entity a thing of the past.
