Muslims in China Are Forced to Break Fast with Alcohol and Our Sisters Clothes Are Cut Short!

The global agenda to suppress the Islamic identity and exert severe oppression upon the Ummah of Muhammad (saw) is alive and active in the DOAMuslims, a site that specialises in documenting oppression against Muslims, uploaded images and cited locations where Muslim women are having their long clothes cut short. This is a direct insult and act of abuse to humiliate the women in their expression of modesty.

There have also been numerous documented incidences where Muslims are forced to break their fast with alcohol. These sickening practices are allowed to happen as there is a well-known understanding that there is no obstacle to insulting Islamic practices. The pious women of Islam are left neglected and abandoned, to be shamed and hurt at the hands of the enemies of Islam.

There are many thousands of Muslims in forced labour camps being psychologically reprogrammed so they embrace non-Islamic values this Ramadan. The children of the Muslim in China are often taken from their parents and given to non-Muslim families. This sickening situation has been in process in front of the world view for many years.

How many more Ramadans will pass when our sisters undergo forced sterilisation and are forbidden from covering their honour in public?

How many more leaders will come and go and do nothing to aid their suffering and shame? Where is the pious, sincere leader of the Muslims to liberate the Ummah from the tyrant of Shirk!???

We must stand against the systems that allow this to happen and work with every effort to establish the Khilafah (Caliphate) as it is the most urgent need of our time. Our children cannot be distracted by the useless entertainment of the world and must be reminded of their obligation to work in the manner of the Prophet (saw).

Intensify dua' for our sisters in their time of trial and we will not forget our duty to expose their oppression.

﴿وَالَّذِينَ كَفَرُوا بَعْضُهُمْ أَوْلِيَاءُ بَعْضٍ إِلَّا تَفْعَلُوهُ تَكُن فِتْنَةً فِي الْأَرْضِ وَفَسَادًا كَبِيرًا﴾

“The Unbelievers are protectors, one of another: Unless ye do this, (protect each other), there would be tumult and oppression on earth, and great mischief.”
