## The Jewish Entity is Committing Genocide and Sexual Violence in Gaza. Is there a Way to Awaken this Negligence?

(Translated)

Since carrying out Operation Flood of Al-Aqsa on October 7, 2023, the Jewish entity has singled out the steadfast people of Gaza and spilled its hatred upon them. It has perpetrated successive massacres that have resulted in the martyrdom of tens of thousands, while the Islamic Ummah remains shackled and its armies remain as silent as the grave dwellers! It resumed its massacres after violating the ceasefire, with explicit Western support and the clear, shameful complicity of the destructive regimes in Muslim countries.

On March 13, 2025, the BBC published an article about the new report issued by the United Nations Independent International Commission of Inquiry on the Occupied Palestinian Territory, which documents a "wide range of violations" committed against Palestinian women, men, and children since October 7, 2023. The report included allegations that the Jewish entity committed "acts of genocide through the systematic destruction of women's healthcare facilities during the war on the Gaza Strip and the use of sexual violence as a strategy of war." These acts include the destruction of health infrastructure and reproductive and fertility centers to prevent births, the killing of mothers by restricting access to medical supplies, and the prevention of reproductive healthcare by withholding the necessary medicines and equipment to ensure safe pregnancy, childbirth, post-natal care, and neonatal care. The United Nations has classified these acts as acts of genocide and sexual gender-based violence. This is in addition to verbal harassment, assaults, threats of rape, and forced nudity to further humiliate women.

How long will this humiliation continue, O Ummah of two billion Muslims? How long will the Jews continue to rampage through Muslim lands while you remain silent about the treason of your rulers and the failure of your armies? Can anything but the power of your armies stop the Jewish entity?

Anyone who thinks the international system will support the people of Palestine is delusional. We have seen how this criminal regime supported the people of Bosnia and Iraq, as well as the Rohingya and Uyghur Muslims before!

Whoever led us to believe that the United Nations, which condemns the Jewish entity with these disgusting reports, will do justice to the people of Palestine, let him remove the veil from his eyes and review these same reports to find that they guarantee the consecration of the existence of the usurping Jewish entity as a state with the right to exist on most of the land of Palestine, leaving the people of Palestine less than 20% on which to establish their state!

**O Muslims, O Muslim Armies and Neighboring Countries in particular**, whoever among you thinks that his silence will prevent this calamity from reaching him is delusional. This enemy does not differentiate between us and views us all as targets on his waiting list. Whoever believes that victory (nashr) will come without jihad, and that glory will come from other than Allah and according to other than His Shariah, has lost in this world and the Hereafter, and that is the clear loss.

يَدْعُو مِن دُونِ اللَّهِ مَا لَا يَضُرُّهُ وَمَا لَا نِفْعَةَ لِّذَلِكَ هُوَ الضَّلَالُ الْبَعِيدُ \* يَدْعُو لَمَن ضَرُّهُ أَقْرَبُ مِّن نَّفْعِهِ لَيْسَ الْمَوْلَىٰ وَلَيْسَ الْعَشِيرُ \* إِنَّ اللَّهَ يُدْخِلُ الَّذِينَ آمَنُوا وَالصَّالِحَاتِ جَنَّاتٍ تَجْرِي مِن تَحْتِهَا الْأَنْهَارُ إِنَّ اللَّهَ يَفْعَلُ مَا يُرِيدُ \* مَن كَانَ يَظُنُّ أَن لَّن يَنصُرَهُ اللَّهُ فِي الدُّنْيَا وَالْآخِرَةِ فَلْيَمْدُدْ بِسَبَبٍ إِلَى السَّمَاءِ ثُمَّ لْيَقْطَعْ فَلْيَنظُرْ هَلْ يُذْهِبْنَ كَيْدَهُ مَا يَكِيدُ ﴿١٠٨﴾

"They call besides Allah what can neither harm nor benefit them. That is 'truly' the farthest one can stray. They invoke those whose worship leads to harm, not benefit. What an evil patron and what an evil associate! Indeed, Allah will admit those who believe and do good into Gardens, under which rivers flow. Surely Allah does what He wills. Whoever thinks that Allah will not help His Prophet in this world and the Hereafter, let them stretch out a rope to the ceiling and strangle themselves, then let them see if this plan will do away with 'the cause of' their rage."
