

Press Release

Rohingya Children are Being Violated at the hands of the Buddhists! Do they not have a Defender?

The charity, Médecins Frontières, reported that more than half of the girls in the Rohingya refugee camp in Cox's Bazar, Bangladesh that it has treated after sexual assaults and rape in Myanmar are under 18, and some are under 10. It stated that dozens of Rohingya girls have been rape given medical and psychological support at its specialist clinic in Kutupalong that treats survivors of sexual violence but stressed that this was just a fraction of those believed to have been sexually assaulted and raped by barbaric Buddhist forces since the escalation of Myanmar's genocide campaign against the Rohingya Muslims in August. Many of these young girls and children who were savagely violated by these heinous criminals made the treacherous journey to Bangladesh to escape death while still bleeding and writhing in agony from the sadistic attack. One gender-based violence medical specialist worker in the Rohingya refugee camp in Bangladesh told the UK news outlet, The Guardian, that she had treated a child under 10 with severe bleeding who had been raped by three Myanmar soldiers. All this is alongside the brutal assaults that Rohingya women have been subjected to by these vile Buddhist forces, including being stripped and humiliated, having their breasts slashed with knives, being raped in front of their children, husbands and fathers, being gang-raped by several soldiers to the point of death, and having sharp wooden sticks or firearms thrust through their private parts, all in an attempt to terrorize them and ethnic cleanse Myanmar of all Rohingya Muslims. There are also accounts of Rohingya women and girls being raped and then locked inside houses that were torched. **La hawla wala quwatta illah billah!!!**

O Sons of the Muslim Armies! How can you witness your sisters, mothers, daughters being violated, dishonoured and mutilated in the most horrific manner by these Buddhist butchers and not move to their protection? Do their screams of terror, their tears of shame, their state of sheer desperation and despair not enrage you and haunt your mind? Are you waiting for the international community to come to their rescue.....the same international community that closed its eyes and turned its back while your sisters in Syria, Kashmir, Bosnia, Central Africa and beyond were violated and slaughtered by the enemies of Islam? O you who have been vested with the duty by Allah (swt) to defend the believers! Does your blood not boil at the thought of serving under these cowardly leaderships in the Muslim lands who have betrayed and abandoned this Ummah to the clutches of its oppressors; rulers who are indifferent to the cries of your sisters and who failed to even provide these desperate Muslims with their basic needs and rights, instead forsaking them to squalid inhumane camps not fit for even animals? Do you have no shame in serving these leaderships who have used you to fight wars on behalf of foreign powers to kill your Muslim brothers and sisters rather than to protect their dignity and blood from the enemies of your Deen?

O Generals and Soldiers of the Muslims! The Muslim children of Myanmar, Palestine, Syria, Afghanistan, Kashmir, Central Africa and other lands across the world are waiting for you to liberate them from their desperate plight! What answer will you give to your Rabb (swt) on the Day of Judgment for ignoring their cries and deserting them to their rapists and killers.....the Day when there will be no hiding from your reckoning??!! We call you to break your allegiance to these despicable regimes who have brought you nothing but dishonour and brought this Ummah nothing but fear, bloodshed, and suffering. And we call you to give your Nusrah to Hizb ut Tahrir to establish the second Khilafah Rashidah (righteous Caliphate) which will mobilise you immediately to defend and liberate your Ummah so that you may embrace the glorious legacy of the great heroes of Islam of the likes of Khalid bin Walid (ra), Salahuddin Ayubi, and Muhammad ibn Qasim, gaining honour in this life and the greatest of rewards in the Hereafter!

Allah (swt) says, ﴿وَمَا لَكُمْ لَا تُقَاتِلُونَ فِي سَبِيلِ اللَّهِ وَالْمُسْتَضْعَفِينَ مِنَ الرِّجَالِ وَالنِّسَاءِ وَالْوِلْدَانِ الَّذِينَ يَقُولُونَ رَبَّنَا أَخْرِجْنَا مِنْ هَذِهِ الْقَرْيَةِ ۚ﴾ **“And what is [the matter] with you that you fight not in the cause of Allah and [for] the oppressed among men, women, and children who say, "Our Lord, take us out of this city of oppressive people and appoint for us from Yourself a protector and appoint for us from Yourself a helper?"** [An-Nisa: 75]

Dr. Nazreen Nawaz

Director of the Women's Section in The Central Media Office of Hizb ut Tahrir
