When the Sheikhs and Free Women Cry Out in the Blessed Land, Men Should Respond, otherwise there are No Men

(Translated)

Wide condemnations in Egypt were raised with the storming of Al-Aqsa Mosque by Jewish forces on Tuesday night, as Al-Azhar condemned and the Minister of Religious Endowments warned and the Foreign Ministry rolled up its arms expressing, through a statement, its anger at the provocation of Muslims' feelings in Ramadan, as if it was the first Ramadan in which the Al-Aqsa was stormed, as if the Al-Aqsa land was not usurped by the Jews!

O Muslims: Our rulers and their regimes do not fear for the people of Palestine, nor do they care about their interests, nor do they care about the sanctities of Islam. Rather, they care about their crooked chairs, which may collapse under your anger in front of the crimes of the Jews. The condemnation, denunciation, and shouting at the international system takes you away from the origin of the issue and how to solve it, and throws it into the arms of this regime, the partner of the deformed entity in its crimes. It is also an attempt to deceive you so that you do not act to fight the Jews in defense of your sanctities, where you will uproot these rulers on your way, and so that you think that Palestine is the issue of the people of Palestine only and not your issue, so do not demand that your armies liberate it.

Knowing that the land of Palestine is a Kharajiyah land that belongs to all of you and not to the people of Palestine alone, and it is the issue of all of you and not the issue of the people of Palestine alone. Its liberation is the duty of all of you, especially the people of the neighboring countries, and on top of it Egypt. This is without looking at the provocations of the deformed entity, so how is the case with its violation of sanctities and sacrilege?

O Sincere Ones in the Kinana Army: We advise you, so be advised, for by Allah, we do not want for you anything but the good of this world and the Hereafter by supporting Islam and its people. You are the descendants of great heroes like Salahuddin, who liberated Al-Aqsa from the Crusaders, so would you follow his footsteps and move to liberate him from the usurping Jews?! And know that you are between two options without a third one; either staying in the bliss of your rulers who will inevitably vanish from salaries, ranks, medals, and privileges that will not avail you anything from Allah, in fact Allah will make them scattered dust, and they will be a disaster on you or you side with your Ummah and liberate it from the domination of the colonial Kaffir West; And that is by giving the Nusra to Hizb ut Tahrir to establish the Second Khilafah Rashidah (rightly guided Caliphate) on the Method of the Prophethood, which will restore its Al-Quds, its sanctities, and its entire land, so let no one precede you in that, for you deserve it more. **O honorable soldiers of the Kinana,** may Allah grant victory to you and your Egypt will be the enlightened Egypt.

﴿وَالَّذِينَ آمَنُوا وَهَاجَرُوا وَجَاهَدُوا فِي سَبِيلِ اللَّهِ وَالَّذِينَ آوَوْا وَنَصَرُوا أُولَٰئِكَ هُمُ الْمُؤْمِنُونَ حَقًّا لَهُمْ مَّغْفِرَةٌ وَرِزْقٌ كَرِيمٌ﴾

“Those who believed, migrated, and struggled in the cause of Allah, and those who gave them shelter and help, they are the true believers. They will have forgiveness and an honorable provision.” [Al-Anfal 8:74]
