The Most Cowardly of Allah's Creation Display Courage after the Brave Buried their Heads in the Sand!

(Translated)

The Aqsa Flood “Tawafan Al-Aqsa” operation has truly exposed and revealed the treacherous regimes in Muslim lands and their treacherous rulers. It has also presented a clear argument to the people of power and influence in the Ummah, especially its armies, and finally, it has unveiled the lies and deceit of the so-called “Axis of Resistance.”

For nearly a year, the Jewish entity has been inflicting horrors on the people of Gaza, crimes against children, women, buildings, and hospitals, crimes that send shivers down one's spine. And yet, the proud Gaza, after almost a year, remains defiant against the Jewish entity. They have not achieved any of their objectives: neither the elimination of Hamas nor the return of the prisoners.

Amidst all these grave events, all we have heard from the Axis of Resistance are mere noises or shy responses to save face!

However, embarrassed by the steadfastness of the proud Gaza, they have sought a victory to proclaim to the world: “We are neither cowards nor defeated.” They took advantage of the media strikes orchestrated by Iran's party in Lebanon to show off their strength against Iran's most significant militia in terms of power and geographical location. They launched strong strikes against Iran's party in Lebanon by infiltrating pagers and blowing them up, conducting major assassinations among its military leadership, and intensively bombing areas in southern Lebanon, culminating in the targeting of the party's leader himself.

In response, we see utter silence from Iran as it watches, with its own eyes, how its party in Lebanon crumbles, taking no action. On the contrary, it continues to explore the possibility of negotiations with the U.S.! Has Iran turned its back on its party in Lebanon as it did with Gaza before?

Do these factions realize that they have no real authority and that their political decisions are in the hands of those who fund them and pay their fighters' salaries?

Will the other factions learn a lesson from this event, or will the day come when they lament, “I was devoured the day the white ox was devoured”?

O Muslims and Armies of the Ummah: The Jewish entity boasts of its strength before the world, even going as far as to threaten that it has much more in store to demonstrate its power to the world, as they claim. However, we know with certainty the true cowardice of the Jewish, as Allah has spoken the truth when He said: ﴿وَضُرْبَتْ عَلَيْهِمُ الدَّلَّةُ أَيْنَ مَا نَفَقُوا إِلَّا بِحَبْلٍ مِّنَ اللَّهِ وَحَبْلٍ مِّنَ النَّاسِ وَبَآءُوا بِغَضَبٍ مِّنَ اللَّهِ وَضُرْبَتْ عَلَيْهِمُ الْمُسْكَنَةُ﴾
“They have been put under humiliation [by Allah] wherever they are overtaken, except for a covenant from Allah and a rope from the Muslims. And they have drawn upon themselves anger from Allah and have been put under destitution.” [Surat Aal-i-Imran:112] And the Jews have lied.

These arrogant displays are only possible due to your silence, especially the silence of the Muslim armies. How true are the words of the poet who said: “It is the habit of people to worship idols, Not out of the greatness of the idol, but out of the lowliness of the people.”

So to the honor of this world and the happiness of the Hereafter, Hizb ut Tahrir calls upon you, O armies of the Muslims, to cast off the humiliation from your shoulders and raise your heads from the sand. Overthrow the thrones of disgrace, and declare jihad in the path of Allah to liberate Al-Aqsa and the rest of the Muslim lands. Then the Jewish will realize their true size, as they seek shelter behind stones and trees, fulfilling the glad tidings of the Messenger of Allah (saw): «لَا تَقُومُ السَّاعَةُ حَتَّى تَقَاتِلُوا الْيَهُودَ، «The Hour will not be established until you fight with the Jews, and the stone behind which a Jew will be hiding will say. "O Muslim! There is a Jew hiding behind me, so kill him.”
