Despite the Jordanian Regime's Letdown of the People of Gaza And Its Submission to Trump's Plan, Its Security Apparatus Arrests One of Hizb ut Tahrir's Members

(Translated)

The regime in Jordan continues to persist arrogantly in sin and aggression, despite its letdown of the people of Gaza, and indeed its collusion with the Jewish entity in the genocidal war it has waged on the Gaza Strip, by providing it with the means of empowerment and survival. It did not hesitate to bless the criminal Trump in the liquidation of the Palestine issue by attending what is called the "Peace Council" to be a false witness to Trump's plan for hegemony over the Muslim lands and for the loss of the Blessed Land of Palestine.

Instead of concealing its treachery and failure, its security apparatus on 8 October 2025 carried out a brutal arrest of Ustadh Khalid Al-Ashqar (Abu Al-Mu'tazz), one of Hizb ut Tahrir's members, from the door of the mosque as he was exiting the prayer (in addition to arresting his brother-in-law at the same time from another place); merely for speaking with the mosque's imam earlier about the situation in Gaza and the obligation to support it, and what the Ummah is obliged by Shariah to do to support it—thus blocking the word of truth that Hizb ut Tahrir's Shabab speak out with, fulfilling the obligation of enjoining the good and forbidding the evil—at a time when cities around the world are stirred up over the genocide committed by the Jews in Gaza.

The intensification of the regime's repressive campaign against a word of truth spoken in exposing its negligence and its alignment with the Jewish entity and America, and its failure to carry out its duty to support the people of Gaza by mobilizing the armies, indicates its insistence on proceeding in its subservience to the colonial kufar (disbelieving) West and its injustice towards the people of Jordan and Palestine, and its persistence in allying with the enemies of the Ummah and leaning towards them, when a word of truth shakes it before its tyranny.

And as you have known Hizb ut Tahrir, it will neither tire nor be deterred by these arrests and the repression the regime practices against its members, nor by the media blackout it imposes. It will not be deterred from clarifying its stances and its goal for which it works through intellectual struggle and political struggle, which is the resumption of the Islamic way of life through the establishment of the Khilafah (Caliphate) on the method of the Prophethood — the state that will mobilize the armies to eliminate the Jewish entity and the arms of America and its plans for the region, and will restore the Ummah's honor and dignity.

﴿الَّذِينَ قَالَ لَهُمُ النَّاسُ إِنَّ النَّاسَ قَدْ جَمَعُوا لَكُمْ فَاخْشَوْهُمْ فَزَادَهُمْ إِيمَانًا وَقَالُوا حَسْبُنَا اللَّهُ وَنِعْمَ الْوَكِيلُ﴾

"Those to whom hypocrites said, "Indeed, the people have gathered against you, so fear them." But it [merely] increased them in faith, and they said, "Sufficient for us is Allah, and [He is] the best Disposer of affairs." [Aal-i Imrān: 173]
