

Press Release

Celebrations of the so-called Great Arab Revolt centennial as if it brought about Good to the Ummah and Islam!!

(Translated)

What good did the so-called great Arab Revolt bring to Islam, the Islamic Ummah and the Arab people, or even to those who lead it? And why there is a political and media build-up and the squandering of money by the heavily indebted government - that is carried out by the regime in Jordan? Yet the bitter truth of this revolt is clear and exposed to the Arabs and to the entire Ummah, even though its disastrous consequences are part of the suffering of the Ummah, because it has consolidated the factors of weakness in it, and it is the revolt which was launched less than eighteen days of the signing of the Sykes-Picot Agreement, which was concluded between the enemies of the Ummah; the British and French on 16/05/1916 CE, to share the influence (over the region) between them after the fall of the Ottoman Khilafah (Caliphate) after they destroyed it. This revolt which was orchestrated by the West and enemies of the Ummah and Islam was a cheap price to demolish the Khilafah State and a quick step to implement the Sykes-Picot Agreement to share the influence and to exclude the Islamic rules from the reality of life and governance.

O Muslims:

We are tired of hearing the lip service of the regime's media in Jordan, that the Revolt was a revival to lift the injustice and oppression suffered by the people, and it was for the country's unity and independence and to protect the religion and the Arabic language and to reclaim the post of the Khilafah for the Arabs and for the commander of the so-called Arab Revolt, which gave rise to disastrous outcomes that calls for lamenting and mourning, not rejoice and celebration. Those outcomes were planned by the Kaffir West, taking advantage of the rebellious and separatist traits in the leaders of the so-called Revolt. The Khilafah State which was the legitimate political entity of the Islamic Ummah has been demolished, and Islam was abandoned as a system of life and system of government, and the Kuffar shared influence of its territory. The Khilafah State that prevented the Blessed Land Palestine from becoming a national homeland for the Jews, had been demolished. And the Muslim land was torn and became weak, subordinate, and agent entities that sanctify the borders drawn by the Kaffir colonialists, and maintains the division of Muslim countries, that pursues and arrests those who work for the resumption of the Islamic way of life and the unity of the Muslim countries on the basis of Islam.

O Muslims:

What good did the so-called Arab Revolt bring to Islam and the Islamic Ummah?! The exclusion of Islam from the reality of life and governance is still the objective of the regime in Jordan, and its mouthpieces, that distort history and change hard facts

What good did the so-called Great Arab Revolt bring, while the Muslim blood is shed and their honor is violated from around those singing and celebrating the 100th anniversary of the revolt, who always repair the fence built by the Kaffir colonialists around them, to justify their inaction and failure to support the Muslims in more than one place from around them?

What good did this Revolt bring? While the Kaffir colonialists are looting the country's wealth and controlling its resources, and are creative in oppressing its people by the hand of its agents?! What good did it bring, and the country is full of military bases belonging to the colonizing states of evil and tyranny!

And what revival is this, when the advocates of homosexuality and immorality roam around and about the country, demanding protection for their rights to practice homosexuality and immorality in front of those who boast about the role of the (Revolt) in the revival?

What revival is this and the ideas and practices of secularism are meant to prevail and be the criteria and standard for actions and words?!

What revival is this that allowed the usurper enemy- the Jewish entity – to have an embassy in Amman, that celebrates the usurping of the Blessed Land (Palestine) and its Jewish flags are fluttering above it!

What revival and what independence is this, when our political and economic decision is in the hands of the Kaffir colonialists!

And what protection of Islam and its rules that they claim when they are spending their utmost efforts and energies to sustain its separation from life and reduce it to priestly rituals in mosques and homes?!

What kind of a false claim is this when the secularists are not wasting a moment in the attack on Islam and its rulings and ideas in front of the eyes and ears of those boasting that the Revolt was a revival?! And what protection of the Arabic language, do they claim, when they have neglected it in favor of the colonial languages of English and French?! And what lifting of injustice is this, when it has touched all the people in every aspect of their lives! This is true deception!

﴿قُلْ هَلْ نُنَبِّئُكُمْ بِالْأَخْسَرِينَ أَعْمَالًا * الَّذِينَ ضَلَّ سَعْيُهُمْ فِي الْحَيَاةِ الدُّنْيَا وَهُمْ يَحْسَبُونَ أَنَّهُمْ يُحْسِنُونَ صُنْعًا﴾

“Shall we [believers] inform you of the greatest losers as to [their] deeds?* [They are] those whose effort is lost in worldly life, while they think that they are doing well in work.” [Al-Kahf: 103-104]
