

Press Release

Indulging in Devastating Muslims, Muzzling them and Satisfying their Enemies The Regime in Jordan Prevents Hizb ut Tahrir Stand

(Translated)

In an involved act with the enemies of Allah and His Messenger, and the enemies of Islam and Muslims, and through the Ministry of Interior in the government and the security agencies, on Saturday, 08/13/2016, the Jordanian regime prevented the Stand organized by Hizb ut Tahrir under the title "No to Sponsored Writers... and No to Poisoned Ideas", which was scheduled from 11 am to Dhuhr prayers in the area between Aldustoor Newspaper and Al-Rai Newspaper on Press Street. The stand was part of the campaign "They will not extinguish the light of Allah" launched by Hizb ut Tahrir to stand up to the fierce crusade, secular and atheist attack waged by the enemies of Allah and His Messenger, from the forces of disbelief, injustice, darkness and colonialism and their slaves and mercenaries of politicians, writers and journalists in Jordan. Such as the vindictive political writer, Nahidh Hatter, the vindictive writer, Zulekha Abu Risha, the deputy prime minister and former head of the Royal Court, Marwan Muasher, and others who spew their hatred and toxins through local and non-local media organizations within the malignant system which is protected and cared for by the forces of disbelief and colonialism. And by the regime in Jordan and its hateful legislation that protects the freedom of opinion and expression, even if on account of blasphemy to the Divine Entity and the insulting, attacking and mocking of the provisions of Islam and its ideas, concepts and figures. And even if it were on the expense of the dignity of the Ummah. At the same time, the regime's security apparatus arrests and imprison the sincere people of the Ummah of members of Hizb ut Tahrir and others who carry the nation's revival project, which is the Khilafah State (Caliphate) on the method of the Prophethood, and who defend the religion of Allah, its provisions and concepts, and who account the regime from legitimate (Shari') accountability, devoid of goals and personal gains.

In face of this systematic attack on Islam and its rulings, and in front of the sinful official complicity with those mutilated bands, and in front of the ongoing repression of the faithful and the sinful prevention of each nation's events that expresses its wrath for Allah's religion or a victory for the Deen of Allah, we in Hizb ut Tahrir / Wilayah of Jordan emphasize the following:

- The Khilafah State on the method of the Prophethood is the only legitimate political entity of the Islamic nation; it is the one that guards Islam truly and conveys it to the world, and without it, Islam will remain under attack, mockery and attempts to distort it. And we invite you O Muslims to work to establish it to clear your covenant before Allah, for whatever is required to fulfill an obligation (Wajib) is itself an obligation (Wajib).
- Hizb ut Tahrir / Wilayah of Jordan has put itself at the forefront of the defenders of the Deen of Allah and will remain the first to work hard to re-establish the Khilafah State. And it will not fear for the sake of Allah (swt) the blame of anyone, nor the malice of a spiteful, and will not be dissuaded from that by the injustice of an unjust.
- Not accounting the regime, politically, for its application of the disbelieving democratic capitalist system, its elimination of Islam, its negligence and its inaction in accounting the disrespectful to Islam, and for its arresting of the sincere and throwing them in prisons, will push it to be even worse and more betrayal of the religion of Allah and the nation, and to be more immersed in the projects of the colonial powers which includes changing the concepts of Islam, its rulings and its ideas. So show Allah what pleases Him in you, victory to His (swt) religion:

﴿وَقُلْ اعْمَلُوا فَسَيَرَى اللَّهُ عَمَلَكُمْ وَرَسُولُهُ وَالْمُؤْمِنُونَ﴾

"And say, "Do [as you will], for Allah will see your deeds, and [so, will] His Messenger and the believers." [At-Tawba: 105].
