The Amman Summit is Conspiratorial as its Predecessors of the Arab Summits

(Translated)

The 29th Arab Summit Conference was concluded on Wednesday 29/3/2017 at the Dead Sea region, and like other Arab summits, it was a kitchen for conspiring against the Ummah and its issues and a way for the Kafir colonizer to carry out his will and projects in the Arab region of the Muslims' countries. The closing statement of the conference (Amman Declaration) stated: "... We emphasize that a comprehensive and lasting peace is a strategic Arab option as embodied in the peace initiative adopted by all Arab countries and supported by the Organization of Islamic Cooperation, which is still the most comprehensive plan that has the potential to achieve historic reconciliation based on "Israel's" withdrawal from the occupied Palestinian, Syrian and Lebanese territories to the June 4, 1967 borders, and addressing all final status issues, foremost of which are the issues of refugees, and providing security, acceptance and peace (for Israel) with all Arab countries".

O Muslims:

This text in their closing statement is a declaration by your rulers, the Ruwaibidhat (ignorant rulers), of their continued squandering of the Holy Land, Palestine, without fear of Allah or shame from His Messenger, and the renewal of their commitment to abandon the state of war with the Jewish entity. The overthrow of the military option of their dictionary in dealing with the Jewish entity is a betrayal to Allah and His Messenger and the believers, and a loyalty to the Kafir colonists and love and loyalty to Jews. It is a confirmation of their commitment and their relentless pursuit to provide security to the Jews and their corrupt entity, and a persistence from them to manufacture and find acceptance for it and integrate it in your country and link your lives with it and hold your present and your future to ransom for it.

You failed and your endeavor has failed O the Ruwaibidhat rulers; for the Ummah do not count on you in anything, as they have known you and known your warm relations with Jews and your concern for them and their concern for you, as you are gathered in this conference, within a stone's throw of Jerusalem and the Al-Aqsa Mosque, which is being desecrated by Jewish herds day and night with storming and aggression before your eyes and the eyes of your armies, which your shackling and stuffing them into their barracks will not be long.

The hostility of the Muslim Ummah to the Jews is a creedal hostility that will not change or transform and will not allow you to achieve a historic reconciliation as you fancy and wish, and you will not be able to provide security to the Jews nor to find acceptance of their corrupt entity, which was found as a result of your betrayals, conspiracies and deception through the series of your summits' conferences or your nominal wars. They will never enjoy peace while they usurp the land of Islam ... as Palestine from its sea to its river is an Islamic land, and Allah obliged Muslims to liberate it even if it will cost millions of martyrs.

O Muslims:

It is time for you to get rid of your rulers, who do not spare a moment to perpetuate and deepen your separation and fragmentation, nor an effort to work on defeating you, wasting your rights and your country, squandering your resources, and re-shackling you with fear and empower your enemy over you. It is time for you to work to establish your legitimate political entity; the second Khilafah (Caliphate) Rashidah state on the method of the Prophethood, in which your pride and your glory lie and by which your country and your sanctities are liberated and your enemies are expelled from your country an evil expulsion.
