The Regime in Jordan is Humiliating the Ummah Further By Agreeing to Appoint a New Ambassador to the Jewish Entity

(Translated)

Jordan's news agency reported on Wednesday that Jordan agreed to a request by the government of the Jewish entity to nominate Amir Weissbrod as its ambassador to the kingdom, this was the Ministry of Foreign Affairs and Immigration Affairs response to the letter by the government of the Jewish entity.

The regime in Jordan has never ceased to emphasize its intimate relationship and the so-called strategic partnership with the occupying criminal Jewish entity; usurper of Al-Aqsa, Al-Quds and all of Palestine, which continues to wreak havoc there and among its people with killing and displacement. And more so by this humiliating step, by re-appointing a new ambassador of this corrupt entity and re-opening its embassy. This embassy has been desecrating the soil of this pure protecting (Murabit) country ever since the humiliating and disgraceful agreement; which is rejected by the whole Ummah. While the Ummah is in the midst of celebrating the 50th anniversary of the victory of the Battle of Al-Karamah (dignity) that shattered the illusion of the artificial power of this entity, the regime is humiliating it further, at a time when the Ummah's feelings and resolve recalls the victories of the heroes of Al-Karamah Battle, to record new victories, in which the Ummah's armies will move to liberate Al-Aqsa and Al-Quds, so that Al-Karamah does not stand as the only memory.

The Ummah has not been surprised by the appointment of the new ambassador of the criminal entity since the Jordanian government, with humiliating complicity, allowed the departure of the killer Jewish embassy employee and all the embassy staff, one day after he killed in cold blood two Jordanians. This killer got a hero's welcome by his government, disregarding the anger of the Jordanian masses that came out demanding the closure of the embassy, and the cancellation of the humiliating agreement of Wadi Araba. This government deafened our ears by speaking of false sovereign issues, while it fools the Ummah of its defiance to this monstrous entity. It speaks (which will not be the last) of sovereignty over the land of Baqura and Al-Ghamr, and Jews' possession of their lands since the first founding of the Jordanian entity. The Jordanian Government flexes its muscle and remembers sovereignty only in front the Dawah carriers and those who call for the truth in Jordan; by detention and imprisonment and breaking into their homes under the cover of darkness...

We in Hizb ut Tahrir, the leader that does not lie to its people, since its inception, work night by day to adopt your issues according to the rules of Islam. We remind our people in Jordan that nothing preserves your dignity, your blood, restores your rights, and protects your country and your wealth, and restores your dignity and honoured living except the implementation of the rules of Islam in the rightly guided Khilafah (Caliphate) state on the method of Prophethood, the glad-tiding of the Messenger (saw), by it alone you can restore your dignity and glory.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ وَأَنَّهُ إِلَيْهِ تُحْشَرُونَ﴾
