(Translated)

In remembrance of the ninety-fourth year since the destruction of the Khilafah, and within the campaign: **“The Khilafah that we want is on the method of the Prophethood”**, Hizb ut Tahrir / Wilayah Jordan will hold pickets on Friday, 15/5/2015, with the Permission of Allah, under the slogan:

“Together towards the Khilafah upon the Method of the Prophethood to Erase the Shameful Loss of Al Aqsa and the Offense towards our Honourable Prophet (saw)”

It will be after Friday prayer, throughout the capital Amman, Zarqa and Irbid.

To remind the Ummah of the obligation to work for the resumption of the Islamic way of life in the Khilafah state upon the method of the Prophethood. With the loss and destruction of the Khilafah state, the Muslims’ shield was destroyed and its Shariah was eliminated and our beloved Prophet (saw) was attacked, the Masjid Al Aqsa was lost actually all of Palestine, the Muslim Lands were divided and the Ummah was torn apart, and its sons’ blood was shed and it is still being shed, and its honour was disgraced and it is still disgraced.
