﴿وَلَا تَهِنُوا فِي ابْتِغَاءِ الْقَوْمِ إِن تَكُونُوا تَأْلَمُونَ فَإِنَّهُمْ يَأْلَمُونَ كَمَا تَأْلَمُونَ وَتَرْجُونَ مِنَ اللَّهِ مَا لَا يَرْجُونَ﴾

“Do not falter in pursuit of the enemy—if you are suffering, they too are suffering. But you can hope to receive from Allah what they can never hope for...” [An-Nisaa: 104]

On Saturday, 7th October 2023, the heroes of the Gaza Strip broke through the enemy lines of the entity of Jews. They stormed the strong holders of the enemy thereby blackening their faces. The attack against the Jewish entity's Army has received world condemnation across the globe including Africa! Kenya has taken a firm decision to stand with the Jewish state amidst recent attacks by Palestine. In a statement on Saturday, Nairobi maintained that it stands with Jewish state and therefore condemns the attacks against it.

Hizb ut Tahrir / Kenya wishes to expound the following:

It is imperative for Kenya and the Africa to realize the Jewish state has a track record of committing terror against Muslims in Gaza. The Jewish intelligence agency Mossad collaborates with African countries including Kenya in the atrocious extra judicial killings of Muslims under the pretext of combating terrorism. It is the same Zionist authority that committed world's horrendous terrorism when it ousted innocent Palestinians from their indigenous land and set ablaze their settlements! Though this atrocious act was never termed an act of terrorism!

The World leaders who are used for selective condemnation but the Muslim Ummah and the whole world will never forget the odious acts committed Jewish state in its Karamah War (War of Attrition) in 1968? Was this not a violation of the so called peace treaty?

The broad massacres committed by the Jewish entity, US and European via their agent rulers have never boiled neither the hearts nor blood in the veins of the Muslim armies to mobilize against the usurper entity! We certainly know that the time for Victory (Nusrah) is very near In Shaa Allah. We have faith that the noble act of calling to Islam as an alternative to the failed ideology of Capitalism hence the only solution to the world's misery will bear a great result.

What has happened in the Blessed Land of Filastin (Palestine) is an inspiring vision of what awaits the enemy of the Allah, His Messenger and the Islamic Ummah at the hands of sincere sons. This is indeed a remarkable day that has clearly indicated the fragility and cowardice of the Jewish entity and its army! Allah (swt) says: ﴿لَنْ يَضُرَّوْكُمْ إِلَّا أَذًى وَإِنْ يُقَاتِلُوكُمْ يُؤْلَوْكُمْ الْأَدْبَارَ ثُمَّ لَا يُنصَرُونَ﴾ **“They will not harm you except for [some] annoyance. And if they fight you, they will show you their backs; then they will not be aided.” [Aal-Imran: 111].**

The armies of the Muslims and people of power, you have a great responsibility toward supporting the sons of the Blessed Land. Muslim rulers have condemned this attack likewise they will support the Jewish army bombardment on elderly mothers and fathers. Stand and support your brothers as they knocked the door so get them in through the door. The only state that can brazenly mobilize the Muslim army against the Jewish entity's army is the Khilafah (Caliphate) State upon the method of the Prophethood; it has the power to terminate the arrogance, pride and prejudice of the Jews.
