We Salute You on Eid ul-Adha

Hizb ut Tahrir / Kenya would like to extend the warmest greetings on the blessed Eid ul-Adha to the Muslims in Kenya and the whole world in general. This blessed Eid comes while common people of Kenya are faced with hard economic times due to high cost of living resulting from the high prices of essential commodities. The country has been ranked eighth globally and sixth in Africa among countries with the largest number of people living in extreme poverty. Wave of financial scandals, land grabbing and corruption, which are becoming recurring phenomena with politicians trading accusations; all these are reminders that Capitalist regimes do not care for the interest of ordinary citizens and are prone to scandals.

As we celebrate this great Eid with our families, we should not forget our brothers and sisters in Syria and Yemen who are bombarded with bombs by the Western regimes and their puppets. Sadly the broad light massacres committed by US and Russia and their agent rulers have not yet boiled neither the hearts nor the veins of the Muslim armies!

We certainly know that the time for Victory (Nusrah) is very near In Shaa Allah. We have faith that the noble act of calling to Islam as an alternative to the failed ideology of Capitalism hence the only solution to the world's misery will bear a great result. This fact is confirmed by the West and their agents in the Muslims land like Pakistan, which has engaged in heinous forceful abductions of true Muslim women believers like Sister Romana Hussain, Dr. Roshan, and many others for merely calling to Islam! We strictly believe Islam under the Khilafah will end all oppressions against Muslims from all corners of the earth.

Finally we pray to Allah (swt) to accept our righteous deeds and guide us to next year's Eid while we are under the shade of the Khilafah Rashidah (righteous Caliphate) upon the methodology of the Prophethood, that will unite all Muslim lands in the world under the flag of 'Laa ilaha illa Allah Muhammad Rasul Allah'.
