Sit-in by Hizb ut Tahrir / Wilayah of Lebanon in Beirut

"From Beirut to Gaza, Be the Supporters of Allah, O Armies of the Ummah"

(Translated)

Hundreds of Shabab (members) and supporters of Hizb ut Tahrir in the Wilayah of Lebanon participated in the sit-in called for by the Hizb, after Al-Jum'a prayer on 25/4/2025, in Beirut, in front of the Mohammad Al-Amin Mosque. The sit-in was titled "From Beirut to Gaza, Be the Supporters of Allah, O Armies of the Ummah," during which banners were raised calling for the mobilization of armies, the toppling of the tyrants' thrones, and the support of Gaza through jihad and weaponry.

Participants also chanted expressive slogans in support of Gaza, including: "We don't want condemnation and denunciation, we want another Khaybar," "O armies of Muslims, rise up to support this deen," and "The Ummah wants the declaration of jihad"...

Additionally, a member of Hizb ut Tahrir, Ustaadh Ahmad Al-Abdullah, delivered an emotional speech in which he called upon the Muslim armies to follow the example of the early generations who supported the deen of Allah. He emphasized that Gaza and all of Palestine are Islamic issues, and their solution lies in mobilizing the armies and engaging in jihad against the Jews.

He also stressed that this can only be achieved by toppling the tyrants, unifying the Muslim lands, establishing the Khilafah (Caliphate), and mobilizing the armies. Furthermore, he referred to Netanyahu's statement about Jews not allowing the establishment of a Khilafah on the shores of the Mediterranean Sea, noting that establishing it is an obligation upon Muslims and is a promise from Allah Almighty, and no one will be able to prevent its establishment.

During the sit-in, pamphlets were distributed highlighting the obligation of supporting Gaza.
