

Press Release

To Boost the US President's Mid-Term Election Prospects, Pakistan's Military Leadership Compromises Our Air Space and Security

Pakistan's military leadership has crossed all limits to prove its usefulness to its master, the United States. In its press release PR-64/2022-ISPR, Pakistan's military media office confirmed an extensive phone call on 29 July 2022, between General Bajwa and the US General, Michael Kurrila, the commander of USCENTCOM. Indeed, it is Pakistan's military leadership that allows US drones to easily reach Kabul, from the USCENTCOM forward headquarters at the Al-Udeid Air Base in Qatar, via an air supply line through Pakistan's air space, that the US drone operators call "the Boulevard." It is only after close co-ordination with Pakistan's military leadership, that the US was able to launch a drone attack on 31 July 2022, that struck a home in Kabul. As a result, Dr. Ayman al-Zawahiri, may Allah have mercy on him and accept him among the martyrs, was killed.

O Muslim of Pakistan! This, then, is Pakistan's current military leadership. It has orchestrated a prolonged political crisis, manipulating both the political medium and judiciary, even whilst asking our armed forces to maintain their distance from politics. Paralyzed by internal chaos, Pakistan has been left wide open to economic ruin at the hands of the IMF, as well as mounting threats against our internal security from India, whilst Modi consolidates his brutal hold on Occupied Kashmir, undisturbed. With complete disregard for US drones spying on sensitive military assets beneath "the Boulevard" air corridor, Pakistan's military leadership has facilitated a crucial air strike for US President, Joe Biden, assassinated Dr. Ayman al-Zawahiri, to improve Biden's electoral image, as he faces tough mid-term elections. And thus Pakistan's military leadership has sided with the colonialists, against us and our armed forces.

It is upon us all, O Muslims, to work for the end of the American Raj in Pakistan. It is the Khilafah (Caliphate) on the Method of Prophethood, alone, that will end all alliance, ties, co-operation and co-ordination with the foremost enemy of Muslims, the United States. It is the Khilafah alone that will do so, because it is the Khilafah alone that binds itself firmly to the rope of Allah (swt), ruling by all that He (swt) has revealed. Allah (swt) said, ﴿الَّذِينَ يَتَّخِذُونَ الْكَافِرِينَ أَوْلِيَاءَ مِن دُونِ﴾ "Those who take disbelievers for allies instead of believers, do they seek power with them? Verily, then to Allah belongs all power." [TMQ Surah An-Nisa'a 4:139]. So let those who love Allah (swt) and His Messenger (saw) raise their voices for the re-establishment of the Khilafah Rashidah in Pakistan!

O Officers of Pakistan's Armed Forces! From the time of General Musharraf until this very day, have you not seen enough treachery from your leadership, for you to move for change now? Did you not see enough treachery in the time of General Kiyani, when the military leadership opened our skies for the American attack on Abbotabad, for you to have moved then? Have you not yet seen enough of treachery from the current military leadership, for you to move now, immediately? Fear Allah (swt) alone and move now, trading your souls for the eternal bliss of Jannah in the Aakhirah. Move now and grant your Nussrah for the re-establishment of the Khilafah (Caliphate) on the Method of the Prophethood. Move now and ensure that your good people are ruled by the Noble Quran and the Prophetic Sunnah. Move now so that your people have rulers who love them, joining their days with their nights in caring guardianship. Move now so that you finally have a military leadership that precedes you on the battlefield, in both victory and martyrdom. Hizb ut Tahrir calls for you to move with it now, so, for the pleasure of Allah (swt), move!
