The Visit of Pakistan's Foreign Minister to the Hindu State Encourages its anti-Muslim Policies and Supports its Occupation of Kashmir

The spokesperson of the Ministry of Foreign Affairs has confirmed that Pakistan's Foreign Minister, Bilawal Bhutto-Zardari, will visit Goa, India, to attend the meeting of the Shanghai Cooperation Organization of 4 and 5 May 2023. This is the first visit by a Pakistani foreign minister to India, in twelve years. The visit comes at a time when it has only been three-and-a-half years, since the Hindu State forcibly annexed Kashmir. As his next step, Modi is brutally oppressing the Muslims of India, whilst his extremists martyr them. Now the audacity of the extremists has reached the extent that they have killed Muslim representatives on live TV.

The visit by Pakistan's foreign minister comes after revelations in which the former governor of Occupied Kashmir, Satya Pal, exposed the Modi government's complicity in the Pulwama attack. Modi launched a retaliatory aerial bombardment in Balakot, enabling him to win the elections. This visit makes it clear that Modi had the courage to do all this because of the cowardice of our military and political leadership. Indeed, the rulers of Pakistan are supporters of the Hindu State, whilst Bilawal Bhutto's anti-India statements are only to deceive Muslims. Is the meeting of the SCO organization, which is under the influence of colonialist China, more important than the sanctity of Kashmir and the blood of Muslims? So, why must the foreign minister of Pakistan visit the Hindu State, surrendering before its anti-Pakistan and anti-Muslim policies?

The Muslim population in India is one of the largest Muslim populations in the world. The Hindu State is surrounded on two sides by more than a million Muslim military troops, from Pakistan and Bangladesh, whilst the over 300,000 Mujahideen of the Taliban have proved their mettle against a 42-nation crusader alliance. Then how is it then that Hindu mobs are demolishing the houses of Muslims, hanging young boys in public, banning the hijab of Muslim sisters and openly violating the sanctities?

The Hindu State became bold because of the inaction of the rulers of Pakistan, Bangladesh and the Arabs. Instead, they fall over each other to befriend these butchers. These rulers do not mobilize the Muslim armies to protect the blood of the Muslims, their sanctities and honor. Instead, they run to the colonialist enemies, be it America or China, to please them and leave no stone unturned to fulfill their agendas.

O Pakistan's Armed Forces! The blood of every Muslim, who was wounded or martyred in Occupied Kashmir and India, is on your necks. It is incumbent upon you to overthrow these treacherous regimes and provide Nussrah **Hizb ut Tahrir** for the establishment of the Khilafah. It is then that your Khaleefah will appoint and send a Muhammad bin Qasim, from amongst you, to lead the attack on today's Raja Dahir. It is then that the Khilafah will liberate Kashmir, forcing the head of the arrogant Hindu king to bow before Islam and levy Jizya upon the Hindus. Thus, it will be the Khilafah that will once again bring the entire region, including Myanmar (Burma), back under the ruling and justice of Islam.

O Armed Forces of Pakistan! Come forth to provide Nussrah to **Hizb ut Tahrir** for the establishment of the Khilafah (Caliphate) on the Method of Prophethood. InshaaAllah your Lord will grant you victory over your enemies. Allah (swt) said, **﴿إِن يَنْصُرْكُمُ اللَّهُ فَلَا غَالِبَ لَكُمْ وَإِن يَخْذَلْكُمْ فَمَن ذَا الَّذِي يَنْصُرُكُمْ﴾** "If Allah helps you, then who is the one who can overcome you?"

And if He leaves forsake you, then who is there that can support you afterwards? So let the believers put their trust in Allah alone. [TMQ Surah Aali-Imran 3:160]
