Resumption of Dialogue between Pakistan and India Hiding Behind Nawaz, Does not Diminish Raheel's Betrayal of Kashmir

Although in these days General Raheel Sharif is using his mouthpieces to hide behind Nawaz Sharif, regarding making flagrant and destructive concessions to India, in reality General Raheel is on the same page as Nawaz Sharif, because they have the same master, America. After India's Modi and Nawaz Sharif met in Paris on the sidelines of the COP-21 Summit, Raheel's close confidante, Lt. Gen (Ret) Nasir Khan Janjua, who was recently appointed National Security Advisor thus replacing the civilian Sartaj Aziz, met his Indian counterpart, Ajit Doval, in Thailand on 6 December, after which a joint press statement read, "Discussion covered peace and security, terrorism, Jammu and Kashmir, and other issues, including tranquility along the LoC." The ploy of Musharraf was to further the American agenda using the slogan "Pakistan First." The ploy of Kayani was to further American interests, using claims of playing a "Double Game." And the ploy of General Raheel is to hide behind Nawaz Sharif, whilst furthering the American agenda, surely and steadily.

The American agenda is to ensure Indian regional supremacy, with Pakistan making way for the rise of India, a matter which the Muslims of Pakistan, including those in its armed forces, will never accept. Discussion regarding terrorism, Jammu Kashmir and tranquility along the LoC, is all to stab the Muslim resistance against the Hindu occupation of Kashmir in the back, a process which Musharraf began, Kayani cemented and Raheel is now perpetuating. All this is to give India much needed relief, so it can refocus its military on establishing regional supremacy, a role that it could neither achieve in the presence of a challenge from Pakistan, nor does it deserve. And this dialogue is taking place even though the flagrant enmity of India has been seen clearly through its belligerency in 1965 and 1971, as well as in Kashmir and through its RAW intelligence agency in other Muslim Land, including Baluchistan and the tribal regions.

Thus, the traitors in the military and political leadership are advancing a dangerous plan in which the people of our region will be left at the mercy of the Hindu State. However, Our Deen, Islam, is the only guarantor of security and prosperity for the region's peoples, regardless of their race or religion. For centuries, our forefathers obeyed Allah (swt) and His Messenger (saaw) in their dealings with the people, earning their loyalty to the extent that the Hindus assisted the Muslims in their Jihad against the British occupiers in 1857 and supported the return of ruling by Islam. So how can we accept that the Raheel-Nawaz regime, blinded by narrow nationalism and

corrupt Western liberalism, works to deny our right for Islam to be supreme? Our forefathers ruled over the entire region, when the Muslims were but a small fraction of the entire population, so how can we resign ourselves to Hindu supremacy at a time when the Muslims of the region number over half a billion to the region's 800 million Hindus?

It is the Khilafah (Caliphate) alone that will undertake the serious project to restore peace and justice in the region through the dominance of Islam. The Khilafah upon the method of the Prophethood will work to tear down the borders that currently divide the Muslims of Pakistan, Afghanistan, Bangladesh, and Kashmir, Muslim-dominated provinces within India itself and beyond our immediate region, to gather the immense strength of the Muslims for the sake of Islam. It will work with seriousness to employ political, economic and military styles to ensure the dominance of Islam within the region and beyond, as Allah (ta'ala) revealed,

﴿هُوَ الَّذِي أَرْسَلَ رَسُولَهُ بِالْهُدَىٰ وَدِينِ الْحَقِّ لِيُظْهِرَهُ عَلَى الدِّينِ كُلِّهِ وَلَوْ كَرِهَ الْمُشْرِكُونَ﴾

“He is the One who sent His Messenger with the Guidance and the Deen of Truth to dominate over all other ways of life, even though the mushrikeen may detest it.” [Surah At-Tawba 9:33]

And **Hizb ut Tahrir Wilayah Pakistan** reminds the officers of Pakistan's armed forces: Having India within your striking range and the ability to change the situation in the most powerful Muslim state overnight, you have a golden opportunity to be the foremost to fulfill the glad tidings of RasulAllah (saaw) and attain the great reward which Allah (swt) has determined for the Openers of Hind (India). It is upon you that we bear witness to the prophecy of the Messenger of Allah (saw), as reported by Thawban:

«عَصَابَتَانِ مِنْ أُمَّتِي أَحْرَزَهُمَا اللَّهُ مِنَ النَّارِ: عَصَابَةٌ تَغْزُو الْهِنْدَ، وَعَصَابَةٌ تَكُونُ مَعَ عِيسَى ابْنِ مَرْيَمَ عَلَيْهِمَا السَّلَامُ»

“Two groups of my Ummah Allah has protected from the Hellfire: a group that will conquer India and a group that will be with 'Isa ibnu Maryam.” (Ahmad and An-Nisa'i).

However, this is only possible in the presence of the Khilafah, whose foreign policy objective is for the supremacy of Islam in the entire world, not this region alone. So, will you not give the Nussrah (Material Support) to Hizb ut Tahrir for the establishment of the Khilafah state? Do you not yearn to be the successors of the noble Ansar (ra), by giving Nussrah to establish Islam again as a state and a rule?
