# HT Pakistan's Magazine Website Nussrah Magazine Website Launched

Hizb ut Tahrir Wilayah Pakistan announces with pleasure the launching of the Nussrah Magazine website. The link for this important website is [www.nussrah.com](http://www.nussrah.com). The website contains all the previous issues of the magazine, from the beginning, five and a half years ago, with just one click. Nussrah Magazine endeavors to present the Islamic point of view on important cultural, political, intellectual and fiqhi matters for the Muslims of Pakistan, whether local, regional or international in their scope.

It is an invaluable resource for Muslims who seek to understand the affairs of Pakistan in the light of their Deen. It is launched at a time when Muslims are frustrated at the extensive censorship of Islamic opinions imposed by the current regimes on the print and local media, as part of its venomous campaign to suppress Islam. It is a welcome relief for Muslims who are disgusted at the liberal, secular viewpoint being promoted by the government directed media, in a country that was established in the name of Islam and whose noble people love Islam above all else.

We pray to Allah swt that He (swt) puts blessings in this effort of Hizb ut Tahrir Wilayah Pakistan, enables Muslims to gain benefit in their Deen from this website and confounds the plots of the Kuffar and their agents against the Deen of Haq.

﴿يُرِيدُونَ أَن يُطْفِئُوا نُورَ اللَّهِ بِأَفْوَاهِهِمْ وَيَأْبَى اللَّهُ إِلَّا أَن يُتِمَّ نُورَهُ وَلَوْ كَرِهَ الْكَافِرُونَ﴾

**“They seek to extinguish the light of Allah; but Allah refuses everything except that He will perfect His light howsoever the kafiireen might abhor it.” [Surah At-Tawba 9:32]**
